

## LOCAL.

Heurman D. says man and woman were cremated equal.

Ask Greeves if he wants a lemon.

Thrower—Where did DeSoto cross the Mississippi?

Jones—Why right up here where Waco is now.

Walker—What are complimentary colors?

Brown R.—Colors whose vibration members are harmonious.

Messrs. Dwyer C. and Hebert have become very experienced in photography and know how to "make the profits." A few days ago while in Bryan, they took twelve pictures on one plate.

Prof.—Mr. Winkler, what does the symbol H2S stand for?

Winkler—Hydruretted Sulfonyen.
