### OPERA IN BRYAN.

**F**OLLOWING Senior classmen attended the opera in Bryan on Saturday night, October 14: McCormick, Coulter, Simpson, S., Simpson, O., Luhrsen, Scherer, Fitzgerald, W. Buhler, Faust, Hal Moseley, Rogers. The boys reported having had a fine time. The also were surprised to see how many pretty girls were present and graced them with their smiles. The play was enjoyed by everyone present, and the First class expressed their intention of attending the next one. We hope McCormick and Coulter found the buggy and drove off, to the disappointment of two other classmates. If they did not, we think perhaps if they try again they might find the buggy hitched to the front gate.

At 10 o'clock, the time at which the opera was over, the gallant

Seniors congregated at the depot and enjoyed themselves until 4 a. m., telling yarns, etc., when the train for dear old College appeared over the hill. The First class will go again.

### THE HOP.

The hop given for the entertainment of the Houston High School Football team was a decided success. The following young ladies were present: Misses Suggs, Shields, Edmonds, Smith, Hutson, Clarke, McKenzie, Sbisá, Cavitt, Polk, Shephard, Parker, Elma Harber, Virginia McCannico and Helen Bittle. The grand march was led by Mr. Murray, our coach, and Miss Stella Shephard. Home, Sweet Home was played in time for the dancers to reach their stopping places before Sunday morn. Everyone reported having had a delightful time.
