

and the game was delayed until 11 a. m. Captain Shultz won the choice of goals and the Varsity boys kicked the ball to A. and M.'s 15-yard line. Brown got it and brought it back twenty yards. Both sides line up quickly and A. and M. begins to buck the line and the ball is carried up the field for a few yards and Varsity gets the ball on downs. Varsity calls close formation and tries A. and M.'s tackles, but are forced to kick, and Shultz brings the ball back ten yards before being downed. Here A. and M. showed how she had been coached, and by bucking the line and running around the ends had the boys from the Varsity guessing where they were going and it looked as if College would surely win. Brown started the ball going by going through tackle three yards. Shultz was then bucked through the same place for four more yards. Shultz again goes through center for two yards. Tackles are called right and Hyde goes around end for twenty yards. Gray adds three yards by bucking the line; then tackles and halves are called to the left and Shultz dashes around Shreiner's end for thirty yards. Hyde is given the ball and goes around opposite end for eight yards more. A. and M. then goes to bucking the line, in which Shultz, Brown, Gray, Winert, Moseley, Thrower and Hyde did excellent work, but Varsity braces up on her 20-yard line and hold A. and M. for downs.

Varsity tries the line twice, but is forced to kick, and the ball lands on A.

and M.'s 45-yard line and rolls out of bounds. A. and M. brings in fifteen yards and starts to bucking the line again, but is forced to kick. The ball is snapped back and it is muddy and slippery and it was fumbled, and Shultz picks it up and tries to kick it, but it is blocked and rolls down on A. and M.'s 6-yard line, where DeLesdenier falls on it.

A. and M. now lines up and determines to hold, but the muddy ground had them handicapped and by fierce bucking Varsity just managed to get the ball over the line in five downs. Schreiner failed to kick goal. Score, 5 to 0.

A. and M. now kicked off the ball, but there was very little playing before time was up for the first half.

In the second half neither side could make much headway, and the result was a kicking game, in which the honors were about evenly divided, and the game was ended with the ball on A. and M.'s 30-yard line.
