

yard line, when time was up.

From the very beginning of the second half our team showed improvement and was in possession of the ball more than half the time. The ball was advanced several times dangerously close to Trinity's goal line, but Trinity managed to keep us from scoring. During the entire game our boys called for time only once. Trinity called for time thirty-four times, nineteen times during the last twenty-minute half.

The features of the game were the long end runs made by Trinity during the first half. Burleson, Davidson and Steele made some of the longest.

Not more than 600 people attended the game, although it is said to have been the best yet attended on Trinity's gridiron. Our team was very well entertained by the Trinity boys. Dr. Lanham, Prof. Johnston, Coach Platt and Burt Hull accompanied the team.

The line up of both teams was as follows:
