 Johnston. Referee, Cole. Time keepers, Dr. Lanham, and
 Parks.

A. & M. VS. ARKANSAS.

Our team met and defeated the team from the University of Arkansas at Houston on Saturday, October 31. The single touch-down and goal was made by A. & M. in the first half. On account of a heavy rain, which fell only a few hours before the game, the field was very muddy and all guide lines were washed out. Both teams had to depend on line bucks for gains and there were many third downs.

Although the game was called at 4 p. m. and only twenty and twenty five minute halves were played, the game had to be called by the Referee near the end of the last half on account of darkness. The time was taken up in his making decisions, there being no guide lines, necessitating much measuring.

About the middle of the first half our team made a touch-down and Street kicked goal. We had decidedly the best of the game during this entire half and had the ball on Arkansas' five yard line when time was called.
