

had been restless for the last ten minutes, for I promised er—the er— folks at home that I would return in half an hour.”

A ripple of suppressed laughter passed through the audience. Ah! Time brings wonderful changes. And the President, seeing that the faculty was hopeless, resolved to bring the matter before the corps, so in his deep sonorous voice, he said, “adjourn.”

CONCERNING FIELD DAY.

J. R. T.

Did you see the Field Day stunts?

Well I guess.

Did the '06's make a mess

Out of all the other runts?

They seemed a signal of distress

Or something less.

First came the hundred dash;

We don't mind,

For we wern't far behind,

To say a Junior like a flash

Won. There's another of his kind,

Can '06 find.

We could have put the heavy shot;

Yes we could,
