THE A. AND M. APPROPRIATIONS.

Citizens Go to Austin to Attend Hearing of Appropriation Committee.

Hon. W. C. Davis, representative from Brazos county, has written friends here that a special hearing will be given by the Finance Committee to the friends of the A. and M. College on next Monday night, February 25.

Mr. Davis has requested that a delegation of Bryan citizens attend the hearing; accordingly the following named gentlemen, and perhaps others, will leave today for Austin: President H. H. Harrington, J. A. Myers, J. Webb Howell, A. W. Wilkerson, W. Wipprecht and F. M. Law.

The citizens of Bryan feel a very close relationship towards the College and this move to help in securing adequate support from the legislature is quite commendable.

The Eagle learns from Mr. F. M. Law, president of the Alumni Association, that prominent alumni from different sections of the state will attend the hearing in Austin on Monday night. Here's hoping success to a most worthy cause.—Ex.

Minister—"Deacon Jones, will you lead in prayer?"

The deacon snored peacefully.

Minister (rudely)—"Deacon Jones, will you please lead?"

Deacon Jones (waking suddenly)—"It ain't my lead, I dealt."—Ex.

MEETING OF BOARD OF DIRECTORS.

Governor May Appoint Hon. John M. Green to Fill Col. Jot Gunter's Place.

The following is clipped from the Galveston-Dallas News of March 3:

The new board of directors of the Agricultural and Mechanical College will hold their first meeting here tomorrow. Col. Jot Gunter will resign from the board in order to be Democratic State Committeeman from the San Antonio district, to which place he has just been appointed, vice Davis, resigned.

It is understood that Gov. Campbell will fill the vacancy on the Agricultural and Mechanical Board by appointing Hon. John M. Green of Yoakum, DeWitt county. He served in several sessions as a member of the House and was active for Campbell during the campaign.

A Quick Retort.

The wit of Mme. Duse, the great tragedienne, is well illustrated by the following story: She was at a supper party and talk turned on woman's suffrage. A man present suggested that, of course, women could not claim equal rights with men. "Man was made first," said he, "and woman sprang from man." "Quite so," said the great actress, quietly. "It is natural that the flower come after the stem, but surely you do not regard that as an indication of inferiority."—St. Louis Republic.

BASEBALL SCHEDULE

MANY GOOD GAMES PROMISED, BUT ALL DETAILS ARE NOT YET ARRANGED.

GAMES OUTSIDE OF THE STATE.

A. and M. Will Play in Mississippi And Louisiana.

The schedule is nearly completed for this season's baseball games. Prof. Kyle has worked hard to give the corps the best schedule possible. In addition to this he has scheduled a fine service in Louisiana and Mississippi, which will insure a trip that every man on the squad ought to break his neck, so to speak, to make. As yet, games for April 4-5 and 17-18 are not closed, but will be sometime this week. The first game is to be with Baylor on March 29. The schedule as far as completed is as follows:

March 29-30—Baylor at College.
April 1—Gorgetown at College.
April 4-5—Not scheduled.
April 12-13—Austin College at College.
April 17-18—Not Scheduled.
April 22-23—Tulane at New Orleans.

April 24-25—L. S. U. at Baton Rouge.

April 26-27—M. A. and M. at Mississippi A. and M.

April 29-30—M. U. at Oxford. The team leaves on its southern trip April 21 and returns about May 2. The U. of T. games are not yet closed.

WHAT THE HOUSTON POST SAYS ABOUT THE JUNIOR NUMBER.

The Houston Post has the following about the Junior number of The Battalion. It seems that everyone agrees that the Juniors "made good."

"The Battalion, a weekly published by the Students' Association of the college was this week edited by the Junior class, with the following staff: Paul D. Casey, editor in chief; Jesse Dale, assistant editor in chief; R. W. Faust, local editor; A. L. Cornell, athletic editor; C. M. Evans, exchange editor; T. J. Beasley, Young Men's Christian Association editor, and the whole Junior class as assistants.

"The edition is not only a credit to the Junior class, but to the college. Combined with decided literary merit is a smack of up-to-date reportorial work. The matter is well worth perusal by all Texans as well as those especially interested in the Agricultural and Mechanical College.

"A" COMPANY 14; "D" COMPANY 6.

McElroy and Rutledge are the Stars for their Respective Companies.

"A" and "D" took advantage of the holiday last Saturday to play their first practice game of the season. "A" Company had the best of it all around, but there is plenty of good material in "D" Company that will be whipped into shape by the time the regular games begin. Rutledge was the star performer for "D" while McElroy, last year captain, held the similar place on "A" with his four runs and mighty slugging. "A" Company's ability to hit is going to make them no mean opponents of any of the other teams. Martin twirled for "A," and Medford and Smith for "D." Runs: "A"—4; "D"—6. Hits: Off Martin—4; off Medford—5; off Smith—2. Umpire: Milligan.

The Proposal.

He (nervously)—"Er-er, Margaret—er-er there's something has been trembling on my lips for the last two months."

She—"Yes, so I see—why don't you shave it off?"—"Tiger."

TENNIS AT A. AND M.

Athletic Council Will Probably Soon Recognize the Game.

Prof. Campbell states that the Athletic Council has not yet recognized tennis as a branch of athletics under their supervision. The Council, however, has not had a meeting this year to consider tennis; and it is probable that they will soon list it as one of the regular college sports.

Captain Sargent has agreed to excuse the six best tennis players from drill and retreat, so that they may play every evening. It is expected that a team will be sent to Waco.

Just a Laugh.

A Methodist negro exhorter shouted: "Come an jine de army ob de Lohd!"

"I'se done jined," replied one of the congregation.

"Whar'd yo' jine?" asked the exhorter.

"In de Baptis' chu'ch."

"Why, chile," said the exhorter, "Yoh ain't in de army; yoh's in de navy."
