It seems that some person has the habit of driving through the column of squads when the battalion is marching to Mess Hall. Sometimes the companies are separated, and we understand that occasionally a company is cut in two. We have been requested to make some mention of this, and we hope that the offense will not occur again.

Cadets Hodges and Evans will attend some of the meetings of the Y. M. C. A. Convention to be held at Dallas this week as delegates from our local organization at this place. It is to be regretted that the fact that this is our week of examinations prevented us from sending our full quota of representatives to this meeting.

We have been informed that congress on the last day of the present session passed a bill increasing the appropriation given to the A. & M. Colleges. To the best of our knowledge the increase was to be \$5,000 per year, each year until the total of \$50,000 was reached. This total to include the \$25,000 we receive each year from the U. S. government at present.

Last Sunday night fifteen seniors organized a dancing club to be named the Terpsichorean Dancing Club. The purpose of the club is to encourage dancing among its members. The Terpsichorean will meet every Saturday night and the greatest painstaking will be given towards the desired end. Mr. T. Jouine was elected president and Mr. H. F. Dranau secretary of the organization.

Miss Maggie McDougald, sponsor of Company "D," charmingly entertained the members of the company at the Bryan skating rink on the evening of March 8. The grand march was led by Captain Joe Wessendorf of Company "D" and Miss Bessie Lee Williamson of Brenham. The cotillion of the evening was led by Miss Hettie Smith of Bryan and Mr. William Stuart of Ft. Worth. The cotilliod favors were A. & M. penants for the girls, and tiny footballs strung on ribbons for the boys. Cream and cake were served during the intermission.

THE SEQUOYAH DANCE.

The Sequoyah Dancing Club gave their first dance last Saturday night at the Shirley. The boys took the girls to the entertainment in the chapel before the dance. After enjoying about two hours listening to the excellent music of the Temple Quartett, they all gathered to the Shirley where everything was in readiness for the occasion.

The grand march was led by Mr. Joe Utay and Miss Hattie Lou Hudson. The programs were then given out and the dance was begun. Each Sequoyah was trying to look his best for it was his first attempt, and he was anxious to make a "hit." There were about twenty couples at the dance, and every one seemed in humor to enjoy the night. The hours were so filled up with pleasure that everyone thought the time had passed too soon when the musicians began to play, "Home Sweet Home." Every one departed for their homes at the dead hour of night praising the success of the new Trilee. The Sequoyahs feel sure that their efforts to have a dance were crowned with success.

The following ladies were present: Misses Hattie Lou Hudson, Lucy Board, Helen Bittle, Florence Herndon, Allie and Ray Conway, Yeager, Lilla Graham and Malcolm McInnis, Maggie McDougald, Ruby James, Emily Thomas, May Nichols, Mattie Watkins of Bryan, Reynolds of Franklin, Bessie Williamson of Brenham, Hettie Marks and Mamie Hutson of College.

Galveston will have two pitchers named Smith this season, and by a peculiar coincidence both have G. A. for their initials. The signed contract of Smith, G. A. of the A. & M. College of Texas, was received by Galveston Saturday morning. Smith will probably return to College next year. We will be very sorry to lose him from pitching staff next season. Let us hope he will not play professional ball next summer.

The new board of directors spent last Friday looking over the College grounds and buildings. Those present were: Judge T. D. Rowell, Judge A. Huidusek, R. F. Milner, John M. Green, Walton Petet, L. L. McInnis, and Senator W. P. Sebastian. Several matters of importance were considered, among them the appointment of a commandant to succeed Capt. Sargeant who leaves next year. The securing of an athletic director was also considered. No definite action was taken as far as can be learned.

The E. E. Department received a communication from the Lynn, Mass., works of the General Electric Co., in reply to a letter written from here. The letter contained the following good news: "We can use some of your graduates this year. Please let us know as soon as possible how many you intend to send us." This is a distinct compliment to the E. E. Department, since three or the E. E. graduates are already employed by the Lynn works. They are: J. E. Hill, Baines Huffman, W. P. Penner. Guy Haltom also of the E. E. Class of '06, will leave for Lynn, Mass., sometime in the near future.
