THREE TWO-BAGGERS AND A PAIR OF SINGLES IN SEVENTH.

UNIVERSITY HAD NO SHOW.

Huff's Pitching is the Talk of the Campus.

In a very pretty game Saturday in which Huff allowed the visitors but three "measly" scratch hits, the College boys put it over the University crowd by the one-sided score of 8 to 1, the one resulting from an error.

Even in warming up the home boys showed they had the best quality of ginger and the corps liberally applauded them. The Texas crowd, confident of winning, soon had their spirits dampened by Huff's weird twisters and tornado straight. Many a lame back will return to tell why it failed to make connections. Sears was as easy as we ever want them—giving bases on balls and hits whenever he thought we needed them. Tarleton, who replaced him in the seventh, was no better. Francis pulled down a couple of high fouls and did pretty throwing to second. Jacoby distinguished himself in base running. He was the only one to steal, and his score is all that changed the goose egg to a little one spot. The score card will show that the rest of the bunch didn't

star. It will show, though, that Watkin is a second sacker that is "there."

Kelley lead off with a hit and took two more singles, a two bagger and a walk during the swatfest. Smith took a hit in the first and got to second on it, while Milligan worked around to the third sack. There was no counting done, however, until the third, when with Kelley, Moore, and Wess. on the bags, Smith drove out a hot one. Dutch was stabbed at the plate but Jacoby favored us with a wild one to first to cut off Smith and Moore, and Kelley chased across for a pair.

The fourth was another inning to our liking. Huff walked and got second on Heweller's sacrifice. Black's hit scored. Huff and Kelley's did the work for Black. Outside of Moore's hit in the fifth, our boys eased up to give the visitors a breath.

In the seventh Kelley laid a two sacker over the left fielder's head. Moore got first on McMahon's error which helped to put University in the air. Kelley scored. Smith put one in the hole that Kelley found and scored Moore. Sears went to the bench, and Tarleton put his toe in the hoodoo box. Milligan scored. Smith with a hit and Dutch, just to keep in the procession, handed out a second degree that enabled Milligan to score. That was about all for that time. Smith based out a safe one in the ninth, but couldn't make it count. Jacoby got one in the ninth, but Huff tossed 1-2-3 ball that looked good to us.

The team work was as good as possible. There wasn't a dump play and only two errors. Better batting couldn't be had. Huff pitched matchless ball for his first game of the season; and when it was touched up, the team gave the necessary support. Smith caught a long high foul in the second as pretty as anything we've seen on the field.

## RESULTS OF ENERGY AND ABILITY.

U. OF T. 2; A. AND M. 1.

C. O. Moser Now in Charge of Dairy Demonstration Farm Near Denison.

Mr. C. O. Moser, '04, who has been connected with the feed control system as deputy inspector since his graduation, has resigned his position and has been placed in charge of a dairy demonstration farm by the U. S. Government. The farm is located in Grayson county, near Denison. It is under the joint control of the U. S. Government and the A. and M. College. The farm will be operated for the purpose of demonstrating the profit to be derived from the dairy business in Texas. It consists of about one hundred acres.

Mr. Moser while a senior at the A. and M. College was captain of Company B and stood well to the front in his class. His unusual ability and energy have marked his previous undertakings with success. That he will do well in his new field of work goes without saying, and we are sure that Mr. Moser will always be a man to whom the A. and M. College can point with pride. Let us hope that the other graduates of the A. and M. College will help the good name of this institution as much as Mr. Moser has helped it.

Friday's Game is Won by University of Texas.

In Friday's game, the tightest game of the season, U. of T. got the credit of a 2 to 1 score. Both sides were in fine trim, furnishing almost errorless support to their pitchers, Graham and Smith. The hits were scattered, and both sides evened up on two-sackers, taking a pair each. Kelley was held off second by Witherspoon, while Watkin found the ball and tagged him, and the umpire called it out. In the sixth Francis laced out a long drive that hit ten feet outside the foul line but a too quick decision gave him a two base hit for it and McMahon crossed over before Moore could cut him off.

Smith pitched great ball and kept them guessing. Ehlinger and Kelley pulled down a hot drive each—Ehlinger making a high jump for his. He beat Watkin back to first, making a double by himself. Kelley got the tally in the third and would have made it in the first but for the play mentioned above. Jacoby struck out twice, Lapull twice, McMahon once, Watkins once, Walker once,
