Bad weather cut us out of one game with Tulane and another with L. S. U. The boys are playing up to the top notch and giving fine support to the pitchers as the four-teen innings game with L. S. U. will testify. The team starts home after the game with the Mississippi University Tuesday.

TULANE DOWNED.

In a Pretty Game of Ball With Texas A. & M. Team.

New Orleans Picayune.

Texas A. and M. defeated Tulane in a well played game by the score of 3 to 1. The contest was spirited and both teams played good ball. Tulane performed well with the exception of the second inning. Texas played a good game at all times.

Smith, of Texas, was nearly invincible. He was touched up for only three scattered hits, and he walked only one man. During the game he struck out no less than thirteen men. He was given nearly faultless support. Ivens pitched a strong game. He was touched up for seven hits and passed two men. The runs in the second were partly due to errors. Tulane's weak point yesterday was inability to hit at critical times.

A fair-sized crowd attended and seemed to be well pleased, although of course, they desired to see Tulane win. The features of the game were the pitching of Smith, of Texas, and the beautiful catch of a line drive by Sargent Pitcher. It looked like a safe hit, but Pitcher jumped high and just managed to pull it down.

Kelly was first up for Texas and got a free ticket to first. Moore sacrificed him to second and Kelly stole third. Mulegan got another free pass. It looked like Texas would score, but Smith flied out to Reese, and Wessendoff ended the inning by striking out.

Tulane in its half of the first went out in one-two-three order. Joubert flied out to Smith, Reese sent an easy one to second and died at the first sack and Brockman ballooned out to right field.

It was in her half of the second that Texas made her only runs in the game. Black was hit by a pitched ball. Hewiler hit one to Reese too hot to handle and was safe, Black going to third. Ellinger went out on a grounder to Ivens. Hornsby hit safe to left field, scoring Black and Hewiler. Kelly hit safe to left and Joubert threw to second to catch Kelly. Brockman muffed the ball and Hornsby scored. Moore died at first and Mulegan met the same fate.

In Tulane's half Smith struck out three men in succession, Ivens, S. Pitcher and Bass.

Texas also went out in quick order. Smith struck out. Wessendoff sent a grounder to Brockman and died at first. Black ballooned out to Brockman.

Tulane started her third by Gillespie hitting a long fly to right. K. Pitcher struck out. Mills got his base, but Joubert ended the inning by striking out.

In the fourth Hewiler ballooned out to Reese. Ellinger hit one to Ivens and died at first. Hornsby hit safe to center field, but spoiled it by trying to steal second and being put out.

In Tulane's half Reese got a free pass. Brockman struck out. Reese was caught off first and Ivens

ended the inning by striking out.

In Texas' fifth Kelly was out on a foul bunt on the third strike. Moore ballooned out to S. Pitcher; Mulegan was safe on slow grounder to third; Smith hit safe to right field. Wessendoff ended Texas' hopes by sending a long fly to Mills in the center garden.

S. Pitcher opened the fifth for Tulane by hitting safe to center. Bass sacrificed him to second. Gillespie ballooned out to Smith and K. Pitcher ended by striking out.

Texas went out in one, two, three order in the sixth. Black and Hewiler both hit grounders to Reese and were out at the first sack. Ellinger hit to Ivens and died at first.

In Tulane's half Mills opened the inning by striking out. Joubert found one to his liking and hit safe to right. He stole second, but Reese ballooned out to right and Brockman hit a fast grounder to second and was out at first.

In the seventh Hornsby hit safe to center and stole second. Kelly was out on caught foul. Moore struck out. Mulegan hit one over third that looked like a clean hit, but S. Pitcher jumped and made the prettiest catch of the day, saying a run.

Tulane made her only run in its half of the seventh. Ivens was out short to first. S. Pitcher was also likewise out. Bass beat out a bunt and stole second; Gillespie was safe on an error of short stop. Bass scoring on the same error. K. Pitcher fanned out.

In the next two innings, neither side came near scoring, and the game ended with the score, 3 to 1 in favor of Texas A. and M.

Hammer and Discus Events Not Held, Owing to Lack of Time on Last Saturday.

In the trial events held at Bryan on the Allen Academy field, A. A. took first place by one point. Hamilton hurt his ankle in the running broad jump and was unable to enter the 220 event. The hammer and discus events in which A. and M. would have taken all three places were not held, owing to the lack of time. A. and M. was also handicapped by not having enough entries in the different events. We are well pleased with the work of the squad as a whole and believe a large share of the prizes at the big meet are coming to A. and M. This preliminary meet will be of great value to the new men on the team.

The big meet is to be held at Waco May 23 with the following schools entered for the events: Washington University of St. Louis, Missouri School of Mines, Oklahoma University, Texas University, Baylor T. C. U., and A. and M. The Allen Academy will go to the North Texas meet at Dallas.
