THANK YOU!

We desire to heartily thank the students of the A. & M. College for the splendid patronage they have given us the past year, and especially do we thank the members of the Senior Class who have been so loyal to us for the past four years. We have found them perfect gentlemen at all times and fair-minded in all their business dealings with us. We shall not only miss them as patrons but we shall miss them as friends, and our very best wishes for their success go with them into their new fields of labor.
