COLLEGE STATION, NOV. 11, 1910.

Monday our team meets on the gridiron at Houston its strong rival, the team from Austin. On the result of this game hangs the state championship. We have a splendid team, and our chances for winning a big victory are as good as could be asked from a generous providence. The A. & M. team will do its level best—you may bank on that. Since its defeat at Fayetteville the other week, the team has been at hard practice, strengthening its weak departments and perfecting itself in new plays and combinations. The fact that our team will put up all the game it has is conceded. Will the cadets put up all the game they have? We think they will, by systematic yelling from the bleachers. The students of this college have a statewide reputation for supporting their team with plenty of yelling. Last year at Houston, when the cadets sat in the rain and cheered their team to victory they showed college spirit that was the admiration of the several thousand witnesses of that game. The students always have made plenty of noise and have inspired their team to almost superhuman efforts. Can they do it again? We know they can, and expect to see every cadet in the A. & M. section at the carnival game yelling his lungs out.

Those students who contribute to The Battalion occasionally should remember to put their names on their contributions. The name of the author will not be published with any article unless the writer so desires. The Battalion only asks for the author's name as a means of protection against an imposition.

## ALUMNI NOTES.

### Death of An Alumnus.

Last Sunday afternoon, there occurred at St. Joseph's Infirmary, Houston, Texas, the death of Henry Kyle, an esteemed alumnus of the college and a man prominent in the agricultural activities of the state. Mr. Kyle had contracted ptomaine poisoning a few days previously, due to his eating a can of salmon, and it was deemed advisable to remove the appendix which had become infected. However the poison had so weakened his system, that he was unable to survive the operation, and he passed away early Sunday evening. For the rest of the day, the body lay in state at Dr. J. Allen Kyle's residence, from whence it was conveyed to Victoria for interment. Monday evening the funeral services were held at 3 p. m. under the auspices of the Masonic order, Rev. L. E. Selfridge of the Presbyterian church of Bay City officiating.

Mr. Kyle was 34 years of age at the time of his demise. Born in Virginia, he came to Texas with his parents when only two years of age. He attended the public schools of the state and later entered the A. and M. College, from which institution he graduated in 1896. For several years he held the position of assistant in agriculture at his alma mater, afterwards retiring to Victoria, where he has managed the Kyle Ranch at Nursery for the past eight years.

In 1908 he was married to Miss Media Rylander of San Marcos, who now, in addition to two children, is left to mourn his death. Surviving are his father, J. W. Kyle of Nixon, two brothers Dr. J. Allen Kyle of Houston and J. I. Kyle of Nursery, and one sister, Mrs. J. C. West of Leesville. Professor Kyle of the Horticultural Department at College, is a cousin of the deceased.

Mr. Kyle was one of the most successful graduates of the college and has a host of friends among the people of the state. As a valuable member of the Alumni Association, he will be sadly missed from the ranks of that enthusiastic body of co-workers, who are at all times working for the good and advancement of their cherished A. and M.

Mr. Howard Woodall, '05, manager of the Acme Manufacturing Company of San Marcos, was married on the morning of October 27, to Miss Bessie Riley of the above city. The bride and groom departed immediately for Dallas and Little Rock for their honeymoon, but will be at home, on their return, at San Marcos. The wedding was a very quiet one, only members of the immediate families being present.

The Battalion joins in wishing with the many friends of the happily wedded pair all the joys and felicities of a married life.

Mr. T. J. Beesley, M. E., '08, man-
