**Members Consider Problem of Independence for College—Captain Moses Commended.**

In addition to arranging the details of the A. & M. alumni part of College Day at the Carnival next Monday, the Harris County A. & M. Club passed three important resolutions at its meeting in Houston Monday night.

Resolution No. 1 requested the executive committee of the A. & M. Alumni Association to call a meeting in Houston on November 14 to take steps for the submission of a constitutional amendment providing the absolute independence of the A. & M. College.

Resolution No. 2 recommended and indorsed Dr. J. Allen Kyle, of Houston, to the board of directors of the A. & M. College, to replace James Cravens, of Houston, who has refused to stand for reappointment as a director.

Resolution No. 3 expressed regret at the fact that the close of four years of military service of Capt. Andrew Moses, commandant of the college, was at hand, complimenting him highly on his work in helping to upbuild the school.

The meeting was presided over by C. A. Thanhauser, vice president of the club, in the absence of Dr. J. Allen Kyle, the president, who was absent on account of the death of his brother.

**DETAILS OF RECEPTION.**

The club appointed a committee of three, W. J. Walden, H. C. Watkins and Sam McConnico, to draft resolutions of respect and regret at the death of Dr. Kyle's brother, Henry C. Kyle, whose funeral Dr. Kyle was attending.

Details of the part of the alumni in the King's arrival parade arranged last night provide that the members of the club meet in uniform at the Rice hotel at 9 o'clock Monday and march to the Grand Central station to meet the incoming president, faculty and cadet corps to the college.

Details of the uniform will be kept secret until the meeting at the Rice. Members of the club desiring information of costumes may get details from Dr. Kyle, Binz building, or Gus Street, Jr., Houston Land & Trust Company building.

The club will participate in the parade on foot and in the costumes chosen. The committee to entertain the faculty will provide carriages for the president and faculty in the parade.

After the parade the president and faculty will be taken to lunch at the Thalian Club or the Country Club. At the game the president will occupy a box.

**INDEPENDENCE RESOLUTION.**

The resolution calling a meeting of the alumni association reads as follows:

Whereas, the convening of the Thirty-second legislature of the state

of Texas is near at hand, and it is desired by all friends of the A. & M. College of Texas that some action be taken looking to the submission of a constitutional amendment providing for the absolute independence of that institution and placing it on a substantial and permanent financial basis; and,

Whereas, it is desired to formulate some plan by which this question may be properly presented to the people of the state of Texas and to the next legislature; therefore be it

Resolved, That this club hereby request the executive committee of the Alumni Association of the A. & M. College of Texas to call a meeting of said Alumni Association in the city of Houston on the 14th day of November, A. D. 1910, for consideration of the hereinbefore mentioned question, together with such other important matters as it may be deemed desirable and expedient to discuss at said meeting.

Be it further resolved, That E. B. Cushing be, and he is hereby, authorized to act for the club in its application to the executive committee of the Alumni Association for a called meeting of said association at Houston, as forementioned.

Be it further resolved, That this called meeting take place on the evening of November 14, following the defeat of the University football team by the A. & M. College eleven.

**DR. KYLE'S INDORSEMENT.**

The resolution recommending Dr. Kyle for appointment as a director was as follows:

Whereas, it is customary for at least one member of the board of directors of the A. & M. College of Texas to be nominated or appointed from the city of Houston, the Hon. James Cravens, of this city, now holding such appointment; and,

Whereas, the service of Mr. Cravens on said board of directors, though of short duration, has fully demonstrated his superior fitness for that position; his intelligent and courageous attitude on all questions of importance to the college proving a source of gratification to all alumni and ex-students, as well as to all friends of that institution; and,

Whereas, Mr. Cravens, finding it impossible to devote such time and attention to the affairs of the college as he deems consistent with the position of director thereof, has declined to stand for reappointment; therefore be it

Resolved, That the Harris County A. & M. Club express its sincere regret that Mr. Cravens should have so determined. Appreciating the great importance of an alumnus or ex-student of the college being named to succeed Mr. Cravens, be it

Further resolved, That Dr. J. Allen Kyle, of this city, a graduate of the college, well qualified in point of ability and by a deep and consistent devotion to that institution, be and he is hereby recommended and indorsed;

and that all members of this club hereby pledge themselves to employ every honorable means to accomplish his appointment.

**COMPLIMENT CAPTAIN MOSES.**  
The third resolution was highly complimentary to Capt. Andrew Moses, commandant of the college. It resolved, on learning that Captain Moses' term of service as commandant was practically completed, that the association extend its thanks to Captain Moses for signal services rendered the college, pointing out his discharge of every duty incumbent, and his enforcement of discipline, while he retained the respect, confidence and esteem of the students and faculty. The association congratulated the war department on selecting Captain Moses for the position, and expressed to Captain Moses sincerest appreciation of the work he has done, wishing him success in future paths or stations.

**TULANE LOSES A GAME.**  
Defeated by Mississippi A. & M. Score, 10 to 0.  
November 5 at New Orleans, on a muddy field and in a drizzling rain, the Mississippi A. & M. football team defeated the Tulane team by the score of 10 to 0. Although outweighed by fifteen pounds, Tulane is said to have played a good defensive game, and invariably broke up what was started for end runs. Mississippi scored two safeties and a touchdown, Jennings kicking goal. Rhoades, the Mississippi fullback, broke his collar bone in the last period of the game.
