## THANKSGIVING HOP AT MESS HALL TONIGHT

Promises to be Biggest Feature of Its  
Kind in History of the College.

At the Mess Hall tonight the Thanksgiving Hop will compliment the A. and M. foot ball squad which has won the championship of the Texas Intercollegiate Association.

For the past ten days the decoration committee, under the direction of chairman Sandford, has worked hard preparing the building for the big ball. The hall is very artistically decorated with college pennants and the college colors, red and white. One novel feature, and a very attractive feature too, is the sketches of players and enthusiastic crowds of A. and M. rooters that artists Geist, Schraeder, Hull and Thalman have made on the old building. "Doggie" Ward is shown making a kick for goal, while "Stud" Barnes is "getting his man." At the same time the A. and M. crowd is going wild. Bell, Whyte, Schaedel, "Dutch," "Pap," Altgeld, Cretcher, Beasley, Lambert, Bateman, Manager Scott Moore and his assistant, "Emma" Imboden, are shown. Big Flinchum, the only Indian on the team, is standing erect with a feather in his hair, and a Varsity scalp in his hand. This picture, as opposed to the Varsity idea, shows the A. and M. view of the complete reconciliation of the Indian and the pale-face in 1910. The decorations are declared by many of the oldest inhabitants as surpassing all previous decorations for Thanksgiving hops.

The music will be furnished by Harris' orchestra.

### HELDENFELS-CULLEN.

F. W. Heldenfels, A. E., '08, of Beeville, was married Wednesday evening, November 16, in Austin, to Miss Mary Alice Cullen, daughter of Mr. and Mrs. W. H. Cullen, and a prominent society girl of the Capital City. Mr. Heldenfels is associated with his brother in the lumber business in Beeville, and is the junior member of the firm of architects, Stephenson & Heldenfels.

After an extensive bridal tour Mr. and Mrs. Heldenfels will return December 1 to their home in Beeville.

## STATE CHAMPIONS

Farmers Prove Distinct Superiority--Southwestern Victims--Muddy Field Scene of Combat

In a lake of water last Friday afternoon the Farmers again swam to victory. Though the score was not large, there is no doubt of the home team being the strongest. Realizing from the beginning that the game was theirs, the Texas champions did not show up to their usual form. Quite a number of subs were given a taste of football and proved to be good water fighters.

Penalties were often inflicted, the Texans receiving the larger number.

Snipes and Headrick were stars for S. W. U. Altgelt, Kearns, Beasley and Whyte were the favorite Texas players.

### The Game in Detail.

The Texans were awarded the kick-off and Southwestern chose the east goal.

Barnes kicked off to Keene, who returned to the twenty-five yard line. Voight gained three yards through line and Headrick kicked forty-five yards to Kearns, who fumbled, recovered the sphere, and returned ten yards.

Whyte gained three yards around left end. Southwestern penalized five yards for holding. Whyte bucked line, no gain. Whyte fumbled snap and lost one yard. Whyte kicked thirty yards to McHenry, who returned five yards. Voight gained two yards through line and McHenry failed to gain on line buck. Headrick punted thirty-five yards to Kearns, who gained three yards. Beasley ploughed through left guard for five yards. Beasley gained three yards on run around left end. Whyte punted thirty-five yards to Snipes, who returned fifteen yards. Brownfield lost eight yards on end run. Headrick kicked thirty-five yards to Kearns, who returned four yards. Whyte gained fifteen yards through left guard. Beasley added four yards through right guard. Whyte punted thirty-five yards to McHenry, who returned twenty-five yards. Voight gained four yards through line. Strange bucked line for four yards, and Snipes punted thirty-three yards to Kearns, who fumbled. Bateman recovered the slimy sphere and returned two yards. Whyte punted to Mc-

Henry, who returned ten yards. Keene lost one yard on attempted end run. Strange tried drop-kick, which proved an absolute failure. Ball went over on the twenty-yard line. Whyte punted forty yards, off the field. Headrick bucked line for one yard. Voight gained one yard on line buck. Headrick kicked thirty yards; Kearns received and returned twenty-five yards.

The first quarter ended with ball on Texas fifty-yard line. Score, 0 to 0.

Beasley gained seven yards on line rush. Whyte failed to gain on end run, and punted thirty-five yards to Snipes, who returned one yard. Headrick kicked thirty yards to Bateman, who returned five yards. Whyte punted forty yards to Snipes, who failed to return. McHenry failed to gain on end run. Headrick punted thirty-five yards to Bateman, who returned four yards. Whyte kicked thirty-six yards; Keene received, but failed to advance. McHenry gained two yards through line. Snipes gained three yards through line, Keene and Voight advanced five yards and four yards, respectively, on line bucks. Snipes punted thirty-five yards to Bateman, who returned nine yards. Beasley gained two yards through line. Whyte kicked forty yards. Snipes received and returned twenty yards. Voight lost four yards on run around right end. Keene advanced one yard through line. Headrick punted thirty-four yards to Kearns, who returned ten yards. Whyte gained twenty yards around left end. Bateman gained three yards on line rush. Whyte advanced seventeen yards around right end. Beasley ploughed through line seven yards. Whyte made twenty-yard pass to Flinchum, who fumbled, Southwestern recovering. Headrick kicked thirty yards to Beasley, who returned five yards. Whyte gained eight yards through line. Beasley two yards on line buck. Whyte fumbled, recovered and lost one yard. Whyte made forward pass to Flinchum, gaining fifteen yards. Whyte punted forty yards to McHenry, who failed to re-

## INDEPENDENCE OF A. AND M. ASKED

Alumni Association Working for Separation from the State University.

In the meeting of the Alumni Association in Houston last week, on the 14th, plans were formulated for bettering this college. President F. W. McGinnis, of Terrell, presided, C. A. Live, of Beaumont, making his address.

Col. E. B. Cushing, of Houston, offered the resolution relative to the plans of the association, which was adopted, and which reads:

"Whereas, the constitution of the state of Texas declares the A. & M. College to be a branch of the University of Texas; and,

"Whereas, investigation indicates that such section was adopted to enable the A. & M. College to receive its support, in part at least, from the munificent dedication of the people's domain for the creation and support of the said university; and,

"Whereas, the A. & M. College has never received its fair share of the said university funds, and for years it has received practically nothing; and,

"Whereas, the field of operation, plan of operation and purposes of the A. & M. College are essentially and materially different from those of the University of Texas; and,

"Whereas, the democratic platform takes cognizance of the necessity of a separate and independent existence for the A. & M. College; therefore be it

"Resolved, by the alumni and ex-students of the A. & M. College, That the attention of the governor-elect be called to the existing condition and to the necessity for repeal of the clause of the constitution above referred to and that he be urged to embrace in his message to the legislature the recommendation, together with a further amendment providing for the permanent maintenance of the college, be submitted to the people, and that the legislature be urged to submit such amendments to the vote of the people."

F. M. Law, of Beaumont, offered the following resolution, which was adopted:

"Whereas, the college, under the able administration of Col. R. T. Milner, has made unprecedented advance-
