COMPANY BASEBALL GAMES.

"C" and "D" tied in a hard fought and interesting game Tuesday. The game was full of snap and ginger from start to finish. Atwell and Bower both pitched well, but Atwell had a shade the better of the argument, striking out ten men and allowing only three hits, while Bower was touched up for six hits, struck out five and walked four.

The following is the box score:

"C" Co.—	AB.	R.	H.	P.O.	A.	E.
King, 1b	4	0	0	9	0	0
Bower, p.	3	0	0	1	3	0

The batteries were: Nye and Horlock for "I" Co.; Phumphrey and Dowell for "K" Co.

MANY ATHLETES WILL ENTER IN TRACK MEET.

High Schools to Send Representatives.

The final arrangements are now being made for the great High School track meet to be held April 21-22, and the prospects are that it will be the largest gathering of interscholastic athletes ever held in the Southwest.

They are coming from every section of the State. Those who represent the championship honors of their various sections will come as guests of the Athletic Council, with no expense to pay from the time they leave home until they return. Each is an amateur, anxious to show his skill in track athletics and eager to win for his school and his section the honors of the big event.

At the same time that the representatives of the high schools are competing among themselves for the high school honors there will be competition in the same character of events among representatives of private schools and academies.

A great deal of work has been done to develop the interest in athletics among the schools all over the State.

In order to help in this development a unique plan was adopted, viz., the establishment of local or preliminary meets in various sections, the winner of which meet in section is to have expenses of a team of six men paid on the trip to the championship meet. As this is the first year of these preliminary meets it required some little time to get them started.

The first preliminary to be held was at Stamford, April 1, the participants being Stamford, Anson and Haskell. Haskell was the winner. Other preliminaries are to be held at Colorado between that high school, Sweetwater, Loraine and Big Springs.

At Sherman, between that high school, Denison, Van Alstyne and Bonham.

At Waco, between that high school,

Temple, Belton and McGregor.

In addition to those mentioned the following high schools will each be represented by a team: San Antonio, San Marcos, Austin, Corpus Christi, Houston, Beaumont, Nacogdoches, Marlin, Dallas, Fort Worth, Dalhart and Texarkana.

Daniel Baker College at Brownwood is to have a local high school meet April 15. The school scoring the highest number of points in this competition will be given a free trip to the championship meet at the college for its team. Brownwood and Hamilton will each have teams in the Daniel Baker meet.

Besides these strong high school delegations that will come, a number of the leading private schools of the State will contest for the honors in their own particular class. The private schools that have indicated to E. J. Kyle, president of the Athletic Council, are Allen Academy, Bryan; Peacock Military Academy, San Antonio; Marshall Training School, San Antonio; Austin Academy, Austin, and Carlisle Military Academy, Arlington.

The medals and cups for the winners in these two meets have been ordered and will be here for presentation during the meet.

AUSTIN LITERARY SOCIETY.

Last Saturday night an important meeting of the society was held, in which all details of the Caldwell contest were discussed. First, however, Mr. H. Tompkins was elected sergeant-at-arms to fill the vacancy made by the resignation of Mr. Fountain. Following the transaction of all business the program, which included a debate on the subject: "Resolved, That the commission form of government should be adopted in all American cities," was rendered. After a heated discussion the judges decided in favor of the affirmative. The attendance at this meeting was larger than usual, but we would still like to have more of the members present at the next one. All aspirants for the Caldwell medal are again urged to report at their earliest convenience to Mr. B. R. Kennedy at 69 Goodwin.
