### A. & M. Boys To State Convention

Large Delegation Attended Y. M. C. A.  
Conference at Austin.

The following list of men made up the delegation which represented the Texas Agricultural and Mechanical College at the State Y. M. C. A. Convention held in Austin on March 23 to 26: F. D. Steger, secretary; C. H. McDowell, Selden Senter, R. R. Allen, S. P. Cowgill, C. F. Smythe, J. L. Dells, A. W. Walker, O. K. Jackson, R. W. Nolte, C. T. Schaedel, G. A. Altgelt, H. P. Jones, P. C. Gillette, A. A. Shirley, C. B. Warren, H. G. Weinert, M. H. James, T. F. White, E. T. Brown, Allen Burton, E. J. Fountain, John Buchanan, H. M. Brundrette, C. E. Taylor, G. A. Searight and W. H. Washington.

This delegation left College on the midnight train last Friday and returned on the afternoon train Tuesday. While in Austin many of them were guests of University boys, being entertained in fraternity houses and private homes. The fellows appreciated the trip beyond expression, for they were certainly treated royally.

A great number of prominent Y. M. C. A. men from all parts of the country were present and about three hundred delegates were in attendance. The A. & M. representatives composed the largest group from any one place.

Among the prominent speakers at the convention were Judge Spencer, of St. Louis; Dr. Clice, of Austin College, Sherman; President Mezes, of the University of Texas; Dr. Weatherford and "Ted" Mercer, two Y. M. C. A. speakers of national fame.

A feature of the convention was a large banquet in the Austin Y. M. C. A. auditorium on Saturday night, at which more than three hundred were present.

JOHN M. FOOTE.

The above is a likeness of John M. Foote, the only Freshman who made his "T" at A. & M. this year. Foote is only 18 years of age. His weight is 162 pounds. He began his football career at the Dallas High School in 1908 and remained with them three years, making his letter on that team. Last year he played halfback with Dallas; then he went to Bonham, where he played end and halfback.

Foote was first noticed as a skilled athlete down at the training camp at LaPorte during the late summer of 1911.

At the opening game of the season,

with Austin College, he was in for three quarters. Throughout the season he took part in all the games, except the one with Texas University, when Lambert took his place.

In the Auburn game at Dallas he made his first star stroke, carrying the ball from the middle field to within five yards of the goal, when Grissom took it over.

Foote invariably hits the line hard. Hard tackling is his main feat. He is certainly a creditable part of Moran's eleven.

#### MAKES GOOD.

What was, only a few years ago, a small wagon show, has, by the use of acute business ability and perseverance on the part of the Campbell Brothers, come now to be at the top-notch of tent shows and in which Campbell Brothers present to the public today, takes its place as a standard show among the best in the country.

At a great outlay of money and hard work these progressive gentlemen have been gathering together from all over the world and adding to their shows all the extra attractions that go to make up the best.

Famous acrobats, gymnasts, equilibrists, contortionists, aerial performers, dancers, funmaking clowns and sensational specialties; besides the daring bareback riders and exhibitions of handsome high-spirited trained horses and trained elephants, ponies, mules and dogs go to make up an entertainment that is unequalled.

The menagerie annex contains the most complete and valuable collection of wild animals and ferocious beasts from all parts of the world.

At 10 a. m. every morning, rain or shine, takes place Campbell Brothers' great sensational street parade with its hundred of horses with glittering

equipment to dazzle the eye—handsome women riders, soldiers and men of all nations, mounted and carrying the flags of their country, cages of wild animals and all interspersed with bands of catchy music.

The above shows will exhibit in Bryan on April 5, 1912, rain or shine, and promise every feature as advertised both in parade and in the big shows at 2 and 8 p. m.

#### Pay of Army and Navy Officers.

The pay of army officers in active service, in most of the ranks, exceeds that of the navy in corresponding positions. Beginning at the foot of the list, the salaries, according to rank, are as follows:

Army—Second Lieutenant \$1500, First Lieutenant \$1600, Captain \$2000, Major \$2500, Lieutenant Colonel \$3000, Colonel \$3500, Brigadier General \$5500, Major General \$7500, Lieutenant General \$11,000, General \$13,000.

Navy—Ensign \$1200, Lieutenant, Jun. Grade \$1800, Lieutenant \$2400, Lieutenant Commander \$2800, Commander \$3500, Captain \$4500, Commodore \$5000, Rear Admiral \$6000, Vice Admiral \$9000, Admiral \$13,000.—Magazine of American History.

Fifty or more cadets went to Houston Saturday and returned Monday, taking advantage of the excursion rates.

I should like to explain the cause for the low grade of work turned out by the college laundry last week and this week. It was not the fault of the management, but was due to the sulphur water which they are now required to use. The laundry has done better work this year than ever before, a thing that makes the falling off in quality of work all the more noticeable. It is to be hoped that a fresh water tank will soon be erected. J. F. Cowart.

## MENDLOVITZ

We handle PACKARD SHOES, they come in all styles, in Vici, Patent, Gun Metal and Tan. Every pair is guaranteed. We also carry a full line of Gent's Furnishing goods.
