NUMBER 25

Team On Road Started Off Well.

Took Both Games Easily From the
Christians at Fort
Worth.

Excellent team work, hard hitting and fast base running were the chief factors of the two victories at Fort Worth. Higginbotham and Miller were in fine form.

Eleven Farmers went to the bat in the second inning of the first game, getting six hits and seven runs. Daniels of T. C. U. connected with one of Higg's fade-aways in the seventh, getting their only score of the first game.

The features of the second game were spectacular catches by Jack Watkins and little "Baby" Collins and a three-sacker by McConnell of T. C. U. The catches were in the eighth and retired T. C. U.'s best batters—Campbell and Daniels. In the seventh Grissom scored from first base on a single by Morrison, making the score 2 to 2.

The club rode to the grounds in cars provided by "Pete" Saunders, and each wore a red carnation from the same "Pete."

Farmers Won Easy In Triangular Meet.

A. & M. Made More Than Twice Com-
bined Score of Its Two
Opponents.

The Austin-Baylor-A. & M. track meet Tuesday was a walk-away for the Farmers. Although we made more than twice the combined score of our opponents, there were no records endangered. "Senior" Lambert came within two feet of the Southern record on the hammer throw, with a distance of 133 feet. Jackie Block outthrew Lambert and Bowler on the discus, he having been on the team one day. Simply another Jack Watkins stunt. Jimmie Johnson, ex-student and visitor to the college, outvaulted the whole field. Jimmie had been out of training for two years, too.

The standing at the finish was:
A. & M. 88½ points.
Austin 21 points.
Baylor 16½ points.

The results:
120 high hurdles—Ewing (Baylor), Dreiss (A. & M.), Everett (A. & M.). Time 16 2-5 seconds.

880-yard run—Turner (A. & M.), Jenkins (Baylor), Clyce (Austin). Time 2:11 2-5.

100-yard dash—Eagleston (A. & M.), Fritter (A. & M.), Ewing (Baylor). Time 10 1-5 seconds.

Pole vault—Fendley (A. & M.), Rother (A. & M.), Cobb (Baylor). Height 10 3-5 feet. Cobb and James of A. & M. tied for third. In flip off Cobb got the place and the point was divided.

440-yard dash—Eagleston (A. & M.), Bracken (Baylor), Hunter (Austin). Time 57 2-5 seconds.

Discus hurl—Block (A. & M.), Lambert (A. & M.), Bowler A. & M.). Distance 97.3 feet.

Hammer throw—Lambert (A. & M.), Bowler A. & M.), Calloway (Baylor). Distance 133 feet.

Half mile relay race—A. & M. won, Austin College second, Baylor third. Time 1:41 3-5.

Captain C. T. Schaedel and Manager Q. Adams and the A. & M. track team will leave Wednesday for Austin, where they will participate in the annual state meet Thursday and Friday, May 9 and 10. The winners in the state meet will go to the Southern meet, which will be held in New Orleans May 16 and 17.

Fort Worth High and Marshall Training Win.

Take Cups from Beaumont and Allen
Academy Respectively—Littfield
of Marshall Individual Star.

The High School Track Meet was a success in every way except financially. The "preps" strove hard and put up noble contests at all stages. When "Lindy" announced just before the relay race that Fort Worth and Beaumont were tied with 31 points each, the tension reached its highest. The "Beaumonters" were counting on Maxson to bring in the winning points, but in the second lap Foster gained a lead for Fort Worth that even the fast Maxson could not recover in spite of that he ran the prettiest race of the entire meet.

Some of the side events were the daring hold-ups perpetrated by a band of robbers who called themselves the "Whitecaps." The Whitecap organization was apparently a popular one, by the frequency with which members were taken in. No quarter was shown, Captain Fenton being the first taken in, and cadets, pros, Bryan business men and visitors following. The noticeable feature of the meet was the election of a new member with the cries of "Water me!"

The Final Standing.

The standing of towns was as follows:

Fort Worth, 36; Beaumont, 34; Orange, 8; Rogers, 5; Texarkana, 14; Sherman, 1-2; Brownwood, 9; Haskell, 1; Roby, 2; Temple, 4; Marlin, 16; Dallas, 4 1-2; San Marcos, 1.

Maxson of Beaumont has the largest individual score—21; Braumiller of Texarkana second, with 11, and Sharp of Fort Worth, 10.

The following records break the state interscholastic marks: Tucker of Fort Worth, in 220-yard hurdle; Nettles of Marlin, the high jump, with 5 feet 9 inches; Sharp of Fort Worth, the broad jump, with 21 feet 8 inches; and the mile relay race by Fort Worth in 3:48 3-5.

Other state records broken were the hammer throw, by Braumiller of Texarkana, 124 feet 4 inches; the shot put by Gibbs of Brownwood, 41 feet 5 1-2 inches; the discus by Fritter of Fort Worth, in 98 feet 3 inches; the 40-yard run, by Penrod of Fort Worth, in 53 1-5; and Maxson of Beaumont equalled the state record in the 220-yard dash.

Interscholastic Results.

The results in the interscholastic track meet held Saturday follow:

220-yard hurdles—Tucker (Fort Worth), Goodrich (Marlin), Massey (Orange). Time 27 2-5 seconds.

Trinity Defeated In Both Games.

Hohn's Bunch Proved Too Much for
Waxahachie Fellows—Club Re-
ceives Much Hospitality.

The boys reached Waxahachie on Monday morning. They were met at the train by some loyal old A. & M. men whose love for their school has not yet died. Owing to the fact that the hotel at Waxahachie had burnt down some time ago, the boys were fortunate in being able to put up with private families. If it had not been for the popularity of the Farmer alumni at this place the boys would probably have had a difficult time in finding a place to "bunk." The boys stayed with three different families and were treated as royally as though they were honored guests. It is seldom that a team goes to another place and meet with the treatment that the A. & M. boys met with at Waxahachie. Everybody tried as hard as possible to make the boys feel that they were wanted in that town and that the people there were at the service of those who needed it at any time. "Meni" Culberson did all he could in showing the boys over the city. He blew out a half dozen of tubes by running his Rambler around with a crowd of cadets in it. The girls could not do enough for the A. & M. boys. It went so far that they had "Fish" Skeeler completely paralyzed.

The first game was a real easy one for A. & M. The boys remembered what Trinity had done to them two years ago and went out on the field with the determination to win. Every one of them played hard ball all through the game. The feature of the game was the fielding of Wathen and the long throw made by Vesmirovsky. The way the boys clouted that apple the first day was a shame. They knocked the first pitcher out of the box in four innings and then took the rest out of McElree, who relieved him. The game ended in a score of 23 to 0 in favor of our bunch. After the boys had made their twenty-three runs they decided not to make any more because it would look better to have a remainder of the Houston game of '09.

The following day Hemphill was put in the box for the Farmers. He pitched a nice game all the time and kept his smoke to the very last. He was what you call a "big" pitcher. Hohn was what you call a "big" pitcher. It is a shame to see some husky person stand around and waste his time in idleness when a little fellow like Hemphill gets up and holds his own in college baseball.

The morning before the last game the boys were all invited out to see
