only one and one-half minutes to play.

The Farmers outplayed their opponents in every stage of the game, and Kansas can boast of their victory only as due to good luck.

Beasley's passing was of the best variety. Bell and Bateman were big ground gainers in the backfield. Higginbotham at fullback played a beautiful game, several times plunging through the Aggies' line for ten and fifteen yards. Vesmirovsky's punting was also a feature, his punts ranging from fifty to sixty yards. Kern played an excellent game at quarter, and received many difficult punts from his opponents. There was great joy when our "Steam Roller" stepped out on the field to take the place of Miller, who had his shoulder knocked out of place. Bowler played a great game in the line. This was his first appearance since the injury he received in the game in Houston. Others who starred in the line were Miller, Lyles,

Lambert, and Crow. Cushman at center played a steady game. Everett and Montgomery at ends played spectacular ball, throwing their opponents for a loss.

For Kansas, Loomis played an excellent game at tackle, as did Holmes, his running mate. Sims at quarter ran his team well. Pollon, Agnew, and Prather were the principal ground gainers of the visiting team.
