

Society Brand Clothes

# SPRING IS ALMOST HERE!

Our stock is becoming more and more complete and we are getting more and more enthusiastic over these same arrivals. We believe you will agree with us in thinking the Clothing and Furnishing for this season are more tasty and pleasing than for some years.

Call and let us show you.

## Brandon & Lawrence

### A CADET'S DREAM.

Last night I eadt Sgisa's hash,  
Undt drinks ten dopes or 'leven;  
Then I falls to schleep undt haf von  
dream  
'At I vent up to heaven.

I valked me up der golden shstreet,  
'Ill I found St. Peter's gate;  
Er old man schwings his key undt  
said:  
"Vell, Dutchman! You're too late!"

I told him I would haf been on time,  
But I schust stopped to see  
Der boys vhat vent der oder vay,  
Undt dhey all had one on me.

He looked dhen from der sole mine  
headt  
Down to der crown mine feet,  
Undt said: "I vasn't der foist rooster  
From A. & M. vhat he meet."

He did sed the gate vas tight, fasdt,  
shut,  
Undt I would got in ni more;  
Because the time lock he godt on  
Voudt not work till half past four.

I told him dat vas plenty time,  
'Twas ten minutes after ten;  
Undt I vill se vhat is going on  
Midt mine friends down in Bryan.

He gif me dhen a round-trip card,  
Undt vispered a password, too,  
Vhat you couldn't guess in twenty  
years,  
'Twas dot same vord, "Coochy-Coo."

When I got der oder depot to,  
I see written on von span,  
If you vandt von hot old time tonight,  
Take der B. C. Interurban.

I gif der passvord undt shump on  
Der hell-vator for below;  
I vas going to der tifel schure  
Vere dere'll be von redhot schow.

Ven I showed Old Nick my ticket he,  
He called Bob Ingersoll,  
Undt tells him to use Beaumont oil  
He could make no time mit coal.

Dhen ve vent down maybe, I guess,  
'Twas a million miles or so,  
Vhen all at vonce dot car broke  
Undt in a tousand pieces flew.

But dot don't make no difference,  
Ve vent shooting right on down,  
Until Fahrenheit's old zero  
Vas burn black undt den turn  
brown.

Old Nick den schlaps me on der back.  
"You gives me bad luck," he says;  
"Undt must skeedaddle P. D. Q.  
I found oudt you wear der fez."

He told me I vas a "Fischer,"  
Undt he couldn't entertain  
A. & M. boys that vent through sand  
Dot vas just like his der same.

He told me dot our Sbisa's milk  
Vas der genuwine sthuff,  
Undt if we gave der hombre a dime  
Ve got blenty undt enough.

Shump on dis hautomobile, he said,  
For you got to fly der Bull;  
I'll put you up to St. Peter's gate,  
To heaven the car vill us pull.

Vhen ve got back to St. Peter's gate,  
He said, "Bleese sidt down undt  
take a seat,  
Undt vile der time lock is running  
down  
Vill haf someding to eadt.

Shust den der 'listric lights vent out,  
Midt candles I feed my face.  
Vhile Peter told me dot same ding,  
In Dallas von night took place.

In heaven he said I couldn't eadt,  
So fill up undt leave no room,  
Undt vile I drink a schocolate or two  
He would play for me a tune.

I listen mit mine mouth vide shut,  
For der music vot I hear,  
Played somewhere else before I dinks  
Where we had some meetings for  
cheer.

Budt old St. Peter put me straight;  
Told me his angels seven  
Had shust engaged A. & M. band,  
To play for me in heaven.

Undt den der gate vide open up,  
St. Peter said, "Go higher."  
I avaked, my roommate said,  
"Get up, Dutch, your time to make  
der fire."

When the Chinese constitution in-  
terferes with the President, he knows  
which to eliminate.—Washington Post.
