

Natural Coincidence—Smith: "I was reading in the paper this morning about a Texas man who was struck by lightning while he was swearing. Remarkable occurrence, wasn't it?" Brown: "Oh, I don't know if lightning were to strike a Texas man while he wasn't swearing, it would be much more remarkable."

That Was All He: "I can trace my ancestry back through nine generations." She: "What else can you do?" Then he blinked and looked at her as if he wondered how far he had dropped.

Too Buoyant—"Why do you drink so much?" said a clergyman to a helpless drunkard. "To drown my troubles." "And do you succeed in drowning them?" "No, hang 'em, they can swim."

SOME INTERESTING FACTS CONCERNING A. & M. STUDENTS.

Not by any means are all the students of A. & M. from Texas. The fame of the college is such that it attracts pupils from many States and countries, as the following figures obtained from the secretary will show. The first number given in each case represents new men and the second old men:

Alabama, 4-0; Arkansas, 2-1; California, 1-0; Florida, 1-1; Georgia, 1-0; Illinois, 1-1; Kansas, 1-0; Louisiana, 2-1; Mississippi, 1-2; Missouri, 2-0; New York, 2-2; North Carolina, 1-1; Ohio, 2-0; Oklahoma, 0-2; Vermont, 1-0; Wisconsin, 1-0; Mexico, 3-3; China, 1-0; Philippines, 0-1; total out-of-State new students, 26; old students, 15. 1915 MANAGERS.

We are indeed fortunate in being able to secure the services of such able men as those that have been chosen managers of our next year's teams. They are all progressive, energetic and possessed of all the qualifications necessary to make successful managers.

Of V. Smitham, the football manager for next year, little need be said, as "Freddie" is one of the best known men on the campus. As president of the Junior class, he has been a distinct success. Freddie is known to us as a good scholar, good athlete and a good sport.

"Dutch" Menke is well known to all of us on account of his long residence on the campus. He has an unlimited amount of "gab," and his ability as a ticket seller can be ascertained by seeing Louie Powell.

Dan Scott is another two-fisted manager that will shoulder the trials and tribulations of the track team. Dan is a good leader, convincing talker and a man who will stand for his rights to the last.

Charlie Davis will be the person responsible for our basketball career next season. Charlie is one of those quiet chaps that always leaves a favorable impression. We feel that the basketball team need have no worry as to their schedule for next year.

Coach Moran has expressed himself as being well pleased with the managers selected for next year, and with their co-operation we feel sure that the college will do great things in the line of intercollegiate sports.

My Dear—I know this missive will surprise you, but some life without love would be a shadow and a failure, and as the birds sing so sweet I write, for no one who loves another as I love you could possibly refrain. Many days have I longed for the opportunity to ask you a very delicate question, but secretly in my own mind I have debated the propriety of so doing, first, because we are not quite the same age, and second, because I am not very well acquainted with your parent. Absence makes the heart grow fonder, and since last I saw you I have spent many sleepless nights tossing restlessly upon my pillow, seeing now and then a vision of a happy little home in a cottage built for two. My heart is too full to write more on this subject, and I will close my eyes to fate and yield up my troubled soul to you. So here I am, dear, humbly kneeling at your feet, and I implore you in the name of mercy and justice to tell me when you think it will rain.
