### TWENTY-THIRD PSALM.

Mr. \_\_\_\_\_ is my chem. teacher; I shall not pass.  
He maketh me to feel "boneheaded" before my class;  
He maketh me to misunderstand problems;  
He tangleth my brain;  
He shooteth a quiz before me to be done in four minutes;  
Yea, though I shall lack only one word It cannot be written,  
For no grade he giveth for late sheets.  
He performeth an experiment before me  
In the presence of my class;  
He filleth me up with laws,  
Until my mind runneth over.  
Surely Blake's tanglesome "dope" will follow me all my college days,  
And I shall stay in chem. one A forever. E. MCR. C.

### A. & M. GETS NEW COACH.

A. & M. is fortunate in getting Coach Moise to help Moran coach the football team. From now on Moise will coach the line and Moran the back field. Under the leadership of these two men A. & M. ought to improve wonderfully.

Coach Moise is a Suwanee man. He was there from 1908 to 1910. He played tackle on the Suwanee team in 1908 and 1909. He was all-Southern tackle in 1909. Moise is not only a football man. He played on the baseball and basketball teams for two years. He played second base on the baseball team in all but one game. The game in question was played against Georgia Tech. The team was short on pitchers and Moise asked the coach to let him pitch. The coach gave him permission and the game started. Whenever a left-handed batter came up Moise would pitch left-handed and whenever a right-handed hitter came to the plate he would change over and pitch right-handed. Moise said that while he only pitched straight balls his method of pitching bothered the men so much that he held them down and Suwanee won the game, 4-1.
