THE UNIVESITY OFFERS APOLOGY

ATHLETIC COUNCIL SENDS RE-GRETS CONCERNING KIRK-PATRICK ARTICLE.

THE LETTER IS OFFICIAL

Dr. Bizzell has handed The Battalion the following letter, dated November 24, which he has received with permission to give out for publication:

President W. B. Bizzell, College Station, Texas.

Dear Sir-Recently my attention was called to an article entitled "How It Feels to Be a Star," by A. L.Kirkpatrick, printed in the November issue of the "Magazine," published by our students.

Knowing the state of feeling which existed when the game was played I am not surprised at the contribution, yet I am surprised that our student editors should have permitted its publication without revision. It certainly does not represent the sentiments of our student body.

W. T. MATHER.

While a kindly oblivion is undoubtedly the best treatment, I beg leave, on behalf of the Athletic Council, to express our regret at what we believe is to be regarded merely as an act of indiscretion and not as an intentional discourtesy.

Sincerely yours, W. T. MATHER. Chairman of the Athletic Council.

THANKSGIVING SERVICES.

A special Thanksgiving service, the first to be held on the campus for a good many years, was held in the chapel last Thursday at 11 o'clock.

The attendance, which amounted to about two hundred cadets and campus people, was very gratifying to those who had the services in charge.

After appropriate songs had been sung, Colonel Hogue read the Governor's Thanksgiving proclamation.

Rev. Glenn Flinn, recently of Bryan, rendered the address, in which he said that altho we had a great deal to be thankful for every year, we have a great deal more to be thankful for this year. He recalled the fact that since we have had the good fortune to be at peace with the world, have had bountiful harvests, and are troubled with no serious sickness, we should give great thanks to God. The speaker went on to say that not only should we be thankful for the present but for the future also. In showing the reasons for this, Rev. Flinn reviewed the rise of America and said that all events tend to show that America would be greater and render greater service to mankind in the future than in the past.

GAME NEXT YEAR

REPRESENTATIVES OF STATE ON MUDDY FIELD IN BEAUMONT SCHOOLS RENEW ATHLETIC RELATIONS.

WILL PLAY IN SAN TONE

Athletic relations have been resumed with the University as a result 27 between Joe Utay and Hal Mosely, Bellmont and Dr. W. T. Mather, representing the University. The Farmers and Longhorns will meet on the gridiron in San Antonio November 19. 1915. This decision is the result of negotiations which have been in progress for several months.

This renewal of relations is ef fective at once and it is probable that the two State schools will meet in track contests and in baseball next

The game in San Antonio will be the first instance in which teams of the two schools have met in a contest within the past four years, and no San Antonio game. From present apgame will be so great that many alumni will travel considerable distances to mingle with the vast crowd which will attend.

The following clipping is taken from the Daily Texan of November 29:

"Varsity track team is open to an invitation from the athletic authorities of A. & M. College to visit College Station in April, and track and baseball as well as football relations will probably be resumed with A. & M College this year.

"If such invitation is received, it is provide for a return date at Austin next year.

Following is a paragraph of a letter sent Athletic Director Love of A. & M. College bearing on this subject:

tin for a return meet the succeeding season. Contracts already signed with other teams makes impossible any dates any earlier in the season.'

"The baseball authorities are also considering this matter, and some definite action is likely to follow in the near future. Coach Disch expressed himself as being well pleased with the action recently taken.'

SENIOR RING ANALYZED.

To the Seniors: I have made an analysis of the Senior ring and found it to contain 58.67 per cent gold. This is .34 per cent more gold than the L. J. SKEELER,

UNIQUE DECORATIONS

The football events of the season had a most brilliant and beautiful finale Friday evening in the ball given by the cadet corps at the Bernard Sbisa Hall.

Quite beautiful and unique were the decorations. At either end of the hall large United States flags were gracefully draped. The main part of the floor was laid off in lines which gave the appearance of a football gridiron. The goal posts at the ends of the field, decorated in crimson bunting, bore signs showing the record of this year's games, A. & M. having a total score of 204 points to her opponents' 33.

An embankment of palms and ferns formed a center stage on which the A. & M. orchestra played entrancing music for the dance.

At 10 o'clock a grand march was formed, led by Miss Lena Tennison of Dallas and Tyree Bell, captain of '12 and '14 football teams.

The programs for the ladies were dainty leather card cases, and for the gentlemen leather cigarette cases, both bearing the A. & M. seal and "Thanksgiving Hop, 1914," in ,gold and containing twenty-three numbers, six favors, football, managers, chief cheer leaders', president's', senior and coaches', also one delightful maxixe.

The following committees arranged for the ball:
