## JUNIOR DANCE FOLLOWS HOP.

### Saturday Night in Gymnasium Juniors Hold Annual Affair.

Saturday night at Moran's Gymnasium the Junior Class gave their first dance of the year. Nearly all of the charming visitors realized that their visit would be incomplete if they should miss this hop, so many stayed over for it.

The grand march was led by H. E. Runge and Miss Anderson of Houston, and included neary forty couples of pretty girls and handsome cadets. The attendance was greatly increased by the Juniors inviting a number of Seniors to enjoy the evening with them.

The programs were among the most artistic and best arranged ever given at a class dance. The music, rendered by the college orchestra, was highly complimented. On account of it being a Saturday night dance it was impossible to finish the program, and at 12 o'clock "Home, Sweet Home" was the signal for many reluctant "good-byes." All the visitors said it was one of the best hops they have ever attended at A. & M.

### IMPORTANT MEETING OF COMPANY ATHLETIC COUNCIL.

The Company Athletic Council met Monday night to make a decision in regard o the game between IK and GH company football teams which was to be played November 28th. At a meeting at noon of the 28th the Council decided that all games scheduled for that evening were to be played. IK found out afterward that three of their men were gone and that they could not play.

GH was in perfect condition and ready and willing to play, but agreed to postpone the game to Tuesday, as a courtesy to the IK team, as this would prevent their forfeiting the game to GH for not appearing on the field. Under existing rules the Council could have decided the game forfeit for each team, but decided to be lenient and only penalize IK ten yards on the first kick off. This decision in no way effects future decisions of the Council, which will be more severe against disobedience of rules.

It is the purpose of the Council to draw the companies closer together and foster company spirit. It is also the duty of the Council to make and enforce rules. Every captain and manager should read these rules and adhere to them to the letter and see that each man on his squad knows their purport. In this way we will be able to maintain good, clean, systematic athletics and the members of he diferent teams will stand a better chance of sticking on the squad if they are called out.

It was further decided by the Council that a championship game should be played by the two teams having the highest percentage. It was also decided to have an all-company game. Coach Moran appointed F. W. Cawthon, assisted by V. Scott, to select the men for it and to coach one of these all-company teams and T. L. Bell, assisted by Kendrick to select and coach the other. These coaches were picked early in order that they could have a good opportunity to observe the men best fitted for these all-company teams in the game to be played in the next two weeks. Everyone knows the keen judgment and ability of these coaches and there is no doubt but that they will find the best material in the corps for these teams and we can expect these two games, the championship game and the all-company game, to be the best of the season.
