MRS. BIZZELL ENTERTAINS IN HONOR OF MRS. L. A. BLAKE.

An affair which, in respect to the particular adaptation of its arrangement and the significance of its prominence as a social courtesy, marked it as one of rare brilliancy, was the elegant entertainment given by Mrs. W. B. Bizzell of College on Wednesday morning. This was a charming compliment given, honoring Mrs. A. L. Blake of Denton, Mrs. Clarence Ousley, Sr., and Mrs. Clarence Ousley, Jr. Though the weather was somewhat inclement, a large number of the campus ladies called between the hours of 10 and 12 and found the warmth and glow within full compensation for having braved the elements. The beautiful home wherein everything is well appointed, was, thru the efforts of the hostess made doubly attractive, and nothing was left undone which would be con-

ducive to an ideal environment for the guest. The environments were beautiful, each room throughout the reception suit giving a distinct note of pleasure. Pink was the color motif featured in the appointments and the excellent taste of the hostess led her to choose the pink chrysanthemum as the flower used in decorating. The beauty of the spacious hall presented an attractive scene with an artistic arrangement of stately palms and ferns, which formed an ideal environment for the receiving line. Misses Lillie Bess Kyle and Elaine Bizzell, dressed in hand embroidered frocks, with sashes and hair ribbons of pink, opened the door and in a sweet manner, extended first greetings to the incoming guests. Mrs. Bizzell then in pleasing manner gave a cordial welcome, and standing with her in line were the four honorees and Mrs. E. J. Kyle. Handsome ferns and other potted plants in profusion showed to

advantage in the library and great clusters of magnificent pink chrysanthemums filled crystal vases and gave a touch of loveliness everywhere. Here the callers received a hearty welcome from Mrs. Sarah Bizzell, the charming mother of President Bizzell. Pink, the dominant note in the decorations, was further brought into prominence in the appointments of the dining room. The handsome polished table, overlaid with rich cluny, held in the center a handsome brass candleabra that held eight pink tapers, and smaller candlesticks of brass at each corner also held tapers of the same hue, the light from these giving a delicate charm to the surroundings. At opposite ends of the board, presiding at the handsome silver tea and coffee service, were Mesdames A. P. Potts and J. B. Bagley and Miss May Terrell served the guests with sandwiches.

This lovely hospitality was most artistically devised and fully sustained the hostess' reputation for brilliant entertaining. She was assisted in dispensing pleasure to the guests by Mrs. Sarah Bizzell and this occasion was one of unusual joy.

KEBLE CLUB HOLDS ITS SECOND MEETING

The second meeting of the Keble Club of A. & M. was called at 7:30 p. m. Wednesday in Prof. Hayden's room at the Shirley Annex. There were fifteen members present, the new members being: M. M. Dougherty, W. B. Scrimgeour, T. G. Lipscomb. After the regular business was completed the meeting was turned into a social one, and before adjournment at 10:10 p. m. each member expressed his appreciation of the cakes, which Mrs. Garner was so kind as to bake and send over, and of the cigars and music furnished by the host. On account of the irregularity of the car service, Rev. Ray was not able to be present at this meeting. The next meeting will be held on Wednesday, December 9, in 51 Goodwin. It is hoped that all Episcopal boys will be out, as a good program is anticipated.

DR. BIZZELL ATTENDS STATE TEACHERS' ASSOCIATION.

Dr. Bizzell has returned from San Antonio, where he represented the college in the college section of the State Teachers' Association. This meeting was called for the purpose of agreeing upon standard requirements for the junior and senior colleges. It was decided that every junior and senior college must require at least 14 units for entrance into two years work at the junior college or four years work in the senior college. A. and M. already meets the requirements of the standard college and will not be affected by this decision.
