and in this way were permitted to see the boys' dormitories and rooms. After S. M. I. they attended chapel, while in the afternoon they visited the dairy barn and were shown the new mechanical milking machines and other apparatus. Sunday night they went to the Y. M. C. A. services. Monday night "open house" was held for them by the wives of the agricultural and extension service departments, to which all of the campus people were invited. This was especially enjoyed by the visitors and was a means of their getting to meet the campus ladies and members of the faculty.

On a whole the week was one of practical instruction in ways of making the work on the farm more attractive for the farm women.

BAPTIST CHOIR RENDERS CANTATA

Sunday night at the regular Y. M. C. A. hour the choir of the First Baptist Church of Bryan, consisting of about fifteen voices, rendered a cantata in the chapel. It was thoroughly enjoyed by the large crowd of cadets, campus people and visitors present.

The cantata in its rendition and subject, it being based upon events in the life of Jesus, could not have been surpassed.

The numbers which deserve special mention were the solo by Mrs. Davis and the ladies' trio consisting of Mesdames Howell and Davis and Miss Sanders, while the whole program was appreciated.

After the program, open house was held in the lobby of the Y. M. C. A. building. This was a splendid opportunity for the campus people to meet and mingle with citizens of Bryan, and there should be more occasions of this kind in the future.

First see the Queen ad then go go see those big Paramounts on Thursdays and Saturdays.
