CLUTTER AGAIN ENGAGED AS COACH; DAN SCOTT MAKES GOOD--BIG CROWD

Picture Show for Benefit of Track Team Great Success

The picture show Dan Scott gave Monday night for the benefit of the track team was a big success. The picture was good and the crowd was so large that the management had to hang out the sign "S. R. O." ten minutes before the show started. That certainly was encouraging to the track team, for the Athletic Association does not support the track team. That means that Scott has to raise the money himself, and that is a difficult undertaking with the support of the corps, and without the support of the corps it is impossible. Everybody get the pep and when there is a picture show, dig up a few jitneys and go. You will all get your money's worth.

The track team this year is the best one we have had in years. There is a wealth of new material and most of the old men are back and look better than ever. Under the training of Coach Clutter, who took a squad of absolutely green men and won second place last year, the track team ought to win the State championship.

LAST SUNDAY'S SERMON.

Our local pastors compare very, very favorably with men who have been coming from all parts of the State to preach to the corps. This was demonstrated last Sunday, when Rev. C. H. Storey of the First Presbyterian Church of Bryan occupied the chapel hour. He spoke about the divinity of Jesus Christ, and took it up from several different viewpoints. He pointed out that neither the great intellects of Christ's time nor those of succeeding generations had been able to find one unsound principle in the teachings, and further that the teachings of no other man or group of men could be compared to those of our Savior, for an instant. Rev. Storey also emphasized the strength and power of Jesus, and stressed the importance of the lessons to be learned by the study of these things.

MISS PROCTOR ENTERTAINS STAFF.

A week ago Monday Miss Louise Proctor entertained the other members of the Battalion staff in a most charming manner by a Washington's birthday party, having invited a number of young ladies from Bryan for the occasion. The house was tastefully decorated and the Washington's birthday idea was carried out in detail. All those who attended voted the evening a most enjoyable one.

A full account of this delightful occasion was to have appeared in the Battalion last week, but it was unexpectedly crowded out.

A. & M. BASKET BALL TEAM DEFEATS SOUTHWESTERN IN THE FINAL GAME

A. & M. DEFEATS SOUTHWESTERN WINNING THIRD PLACE IN STATE RACE

Davis Makes Selection For All-State Basket Ball Team--- A. & M. Team Concluded Most Successful Season U. of T. Are State Champions

The A. and M. College basketball team concluded the most successful season in its history last Wednesday night, when they defeated Southwestern University. The team was very unfortunate in losing, thru injuries, two of its best men, Braumiller and Settegast, at the very start of the season, thereby greatly handicapping the Aggie five. Nevertheless, the Aggies only lost two games, and one of them, against T. C. U., was not played under intercollegiate rules, and consequently has no bearing on the status of A. and M. in the ranking of State teams.

The State championship goes by default to University of Texas, as A. and M. was denied the privilege of defeating them. Second place goes to the Rice team on account of their victory over the crippled Farmer team. Third place is what is claimed by the Aggies, and all fair-minded followers of the sport concede that the Aggies are clearly entitled to this place. If comparative scores are any criterion, the Aggies should rank higher than that, for they decisively defeated Decatur Baptist College twice on Decatur's home grounds, while the State team only defeated Decatur at Austin by three points, and then canceled a return game they had scheduled with Decatur.

Davis of A. and M. has made the following selections for all-State teams:

First Team.

Tomfohrde (Rice, (Forward, Gilfillan (A. and M.) Forward, Braumiller, Capt., (A. and M.) Center, Everett (A. and M.) Guard, Edmond (Texas) Guard.

Second Team.

Foster (Decatur B. C.) Forward, Ross, Capt. (Texas) Forward, Littlefield (Texas) Center, Burkett (A. and M.) Guard, Blackburn (Texas) Guard.

These men were chosen not only on account of their individual playing, but also on account of the fact that their style of playing is such that they would make an evenly balanced team. On the other hand, they were not selected by their physical strength and height, notwithstanding the fact that that seems to be one method in vogue in Texas at present. Gilfillan, who was considered too small a man by one judge, is 5 feet 9 1-2 inches tall, and only weighs 185 pounds.

Summary.

A. and M. 36, S. H. N. 5.
A. and M. 30, Dallas U. 7.
A. and M. 39, Baylor 11.
A. and M. 16, Rice 27.
A. and M. 35, Baylor 23.
A. and M. 20, T. C. U. 28.
A. and M. 48, Dallas U. 10.
A. and M. 34, Decatur 30.
A. and M. 41, Decatur 26.
A. and M. 36, Decatur High 21.
A. and M. 36, Decatur Gym. 22.
A. and M. 39, S. H. N. 28.
A. and M. 30, S. H. N. 13.
A. and M. 17, Southwestern 10.
A. and M. 30, Southwestern 11.
Total—A. and M. 497; opponents, 272.

Game Characterized By Fast Playing--Gilfillan Shoots Difficult Goal

In the final game of the season, the Aggies' five overwhelmed the fast Southwestern aggregation by a score of 30 to 11. The game was the fastest and most sensational one ever seen on the local court. Both teams played fast, brilliant basketball, and the game was, on the whole, a clean one.

Braumiller and Gilfillan seemed to be having a contest to see which one could throw baskets from the most difficult angles and until the middle of the second half Nick had the best of it. Then Gilfillan, standing in the corner of the court and with his back to the goal, threw the ball backwards over his head into the basket. It was the most sensational goal that has ever been seen here. Gilfillan threw five field goals and Nick four. Nick played a brilliant game thruout. Runt Hanson threw two field goals and six foul goals. Barnes threw one field goal. Burkett played a brilliant game at guard and held Betts down thruout the game. For Southwestern Betts was the best player.

The lineup:

A. & M.—	Southwestern—
Gilfillan	Betts (captain)
	Forward.
Hansen	Hay
	Forward.
Braumiller (captain)	Smith
	Center.
Burkett	Uliener
	Guard.
Barnes	McCorkle
	Guard.

In conclusion, a word ought to be said about the manager, Charlie Davis. As everyone knows, the basketball team is not supported by the Athletic Association. Davis started in with nothing, provided the team with suits, and took them on two expensive trips, and arranged the hardest schedule and the costliest one ever played by an A. & M. team. And despite the war in Europe, etc., Charlie announces that if everyone who still owe on their tickets will pay up he will have enough to give every man who makes his letter and A. & M. mackinaw. Not only as he managed the business end of it successfully, but he has done everything in his power for the benefit and comfort of the team.

GLEE CLUB ON NORTH TEXAS TOUR

PLAYERS DELIGHTED LOCAL
COLLEGE AUDIENCE
FRIDAY NIGHT.

The Glee Club and its company entertained a full house in the Chapel last Friday night, nearly every number being encored. The club is now on its tour of the State, and the people of this college should feel proud to have such an organization representing them.

The Glee Club, proper, gave several selections which were favorably received. The "Googa Man" was the one which seemed to please the audience most greatly. This number consisted of a kind of chant in which the performers on a darkened stage shuffled

CHOC KELLY NOW IS CARLISLE COACH

FAMOUS INDIAN ATHLETE GETS
APPOINTMENT FROM
CATO SELLS.

The appointment of Victor M. Kelly of Durant, Okla., as football coach and athletic instructor at the Carlisle Indian School was announced Wednesday by Cato Sells, Commissioner of Indian Affairs. The appointee, better known as "Choc" Kelly, from the fact that he is a Choctaw Indian, was formerly with the Texas Agricultural and Mechanical College and holds a record for work as a quarterback there.

Kelly was a gridiron star in this State for a number of years and was always considered one of the hardest, grittiest and cleverest of the quarter-
