

Y. M. C. A. NOTES.

Y. M. C. A. Elects Officers for 1915-16.

The election of officers for the ensuing year was held on last Sunday from 1 p. m. until 9:30 p. m. There was considerable interest manifested in the election, though a rather light vote was polled. G. C. Moffett received the highest number of votes and was elected president. T. F. Keasler received the next highest number, which gave him the vice-presidentship. R. A. Hall became next year's secretary, and T. K. Morris is the treasurer.

The association is exceptionally fortunate in the selection of these able men to guide it through the next year. Mr. Moffett is one of the "whitest" men on the campus, and the other officers are men who can and will take hold of things. With these officers and our new "Y" building, there is no reason why we should not have a larger and better Y. M. C. A. next year than ever in the past.

Interest Shown in Y. M. C. A. Games.

The members of the Y. M. C. A. and the students generally are taking a new interest in the games which are now in the lobby of the "Y" building. Many of the cadets have learned to pass away an otherwise dull hour or two, playing at chess or checkers. The devotees of "forty-two" can also go over and indulge in their favorite game, tables being provided for this purpose. Already so many promising checker and chess players are showing themselves that Mr. Steger plans, as soon as they become expert enough, to hold a tournament for the college championship in these games.

James A. Whitmore Bible Class.

In recognition of the great work

done by Mr. James A. Whitmore in the recent Y. M. C. A. convention here, Mr. Ike Ashburn has called his recently organized class the James A. Whitmore Bible Class. The class consists of about thirty members, who were converted during the convention, and were not at that time members of the Sunday school or of a dormitory Bible class. Mr. Ashburn has taken a great interest in his class, and is doing some wonderful work. Other such classes as these would be beneficial to the school and should be encouraged and aided in every way possible.

Deputation Work for Senior Y. M. C. A. Men.

In the near future it is planned that Senior members of the Y. M. C. A. Cabinet and student members of the various departments will take up deputation work. They will begin their work first in towns and communities within a short distance of the college. These meetings are planned to reach the farmers residing around these towns and will consist of talks by students and other speakers on various subjects and especially on the many phases of agriculture, on rural hygiene and sanitation, and on social life in rural communities.

The work will be doubly beneficial, helping the farmers and also being of value to the students who take part in it. Something of this order has been needed for a long time, as it will give the students an opportunity to exchange some of their theory for the practical experience of the farmers. All details of the plan have not yet been perfected, but as soon as it is possible they will be, and then the work will begin.

JUNIOR ELECTION.

At the Junior election held Tuesday afternoon the following officers were elected:

For editor-in-chief of the Junior Battalion—L. B. Witcher.

For business manager of the Junior Battalion—A. R. Hawkins.

For editor-in-chief of the 1916 Long Horn—S. B. Haynes.

For business manager of the 1916 Long Horn—C. M. Easley.

For art editor—J. D. Brown.

Dean Kyle in Hort. 2—"What do you use as a spray on potatoes to check the blight?"

"Our Country" Sanderson—"Bois d'arc mixture."

Dean Kyle—"No! Bordeaux mixture. Now, give its ingredients."

Sanderson—"Five pounds rock lime, five pounds sulphur copate ta—" but here he was laughed down.
