**BELGIUM GRATEFUL TO AMERICA**

Dr. G. S. Fraps has received the following letter from Holland:

Dear Sir—Mr. Paul DeVuyst, from Brussels, unable to write you because in Belgium post service with foreign countries is suppressed, begs me to remember himself to you and inform you how grateful the Belgians are to the American people for their generous gifts to our poor and suffering people. As it is impossible now for our compatriots to write to their American friends, we are afraid that the American donors do not receive enough manifestations of the thankfulness of the Belgians.

Please tell your friends the grateful feelings of the Belgians. The distress of the Belgians is so great that without the sympathetic American generosity half the population would have died of starvation.

Please answer to your most thankfully,

MARIE JOSEPHE VUYLSTEKE  
THUYS CAERT.

A Freshman (fish) was wrecked on an African coast

Where a cannibal king held sway;  
And they served that Freshman on slices of toast

On the eve of the very next day.  
But the vengeance of heaven swiftly followed the act,

For ere the next moon was seen,  
By cholera morbus the tribe was attacked,

For that Freshie was terribly green. —F. J. H., '17.

Guest (calling up clerk)—There are a couple of mice fighting up here.  
Clerk (languidly) — What room have you?

Upon being told he inquired:  
"What are you paying for it?"  
"Two dollars."

"Well, what do you expect to get for two dollars—a bull fight?"
