CHARLIE NITCH, "The College Tailor"

THE SOPHOMORE DANCE.

The evening preceeding the Ross Volunteer hop the Sophomores, as a class, will make their debut into so-

ciety at the Sophomore dance. The class intends to make this the most successful informal dance of the year. Owing to the limited size of the "Gym" floor, and to the limited amount of

funds obtainable, the class has decided to extend invitations only to Seniors with ladies. The University visitors will also be extended most cordial invitations to attend. Music will be furnished by the A. and M. College Orchestra, which insures the best of music.

The financial side of the dance is in the hands of O. F. Spencer. To make a success of the dance every Sophomore must feel it his duty to "kick" in with his share and place Spencer in a position to make all preparations beforehand. Don't wait until the last minute, men; pay it now. The class is going to give a dance, a good dance, and it needs your support.

The following are the officers of the dance: W. L. Coleman, president; C. C. Haibedl, arrangement; F. A. Crow, program; O. F. Spencer, finance; G. B.

Hooker, decoration; C. F. Braunig, reception; H. I. Fry, floor.

Whereas, Our Heavenly Father has seen fit to call home from this earth the mother of our friend and school-mate, J. M. Kincheloe.

We, a committee from the Waco Club, do offer the following resolutions:

Resolved, That we extend to the family our heartfelt sympathy in their hour of bereavement, for we recognize their loss is a great one.

Be it further resolved, That as a token of our respect for the family, a copy of these resolutions be sent to them, a copy to each of the home papers, and a copy to the Battalion. Respectfully submitted,
