## A GOOD AUDIENCE HEARS MISS WARE

MISS HELEN WARE PLAYS BEFORE APPRECIATIVE HOUSE FRIDAY NIGHT.

Miss Anita Park Renders With Facility the Accompaniment to Many Difficult Numbers.

Musical critics of Indiana and Colorado, where Miss Ware recently appeared in recital, are very generous in their praise of her splendid work.

A very appreciative audience heard her play in a well balanced and interesting program at College Friday night. Miss Ware has personal charm and grace that immediately inspire confidence and anticipation. Perhaps one of Miss Ware's strongest qualities is the earnestness which characterizes her interpretations. Her musical temperament found its happiest expression in one number of her own arrangement, "Hungarian Love Song."

Miss Anita Park of Bryan never fails to fill a satisfactory part in any musical program. As accompanist to Miss Ware, she demonstrated her ability to interpret and render properly most difficult movements of the Hungarian music on the program and excelled in the more familiar numbers.

### NEW Y. M. C. A. OFFICERS INSTALLED.

Last Sunday night the new officers of the Y. M. C. A. were installed. The new president, G. C. Moffett, made a short talk, telling of the work mapped out for the association during the following year. He mentioned the improvements on the building to be made before the beginning of next session, and the new activities which the association intended to begin. He also informed those present that Dr. Bizzell has promised to see that the swimming pool is ready by September.

Moffett's speech was followed by talks from the other three officers, Kiesler, Hall, and Morris. They told how they became interested in the Y. M. C. A. and the benefits they expect to get from it in the future.

Following these speeches, Mr. Steger made a short talk on "Service."

The meeting closed with a number of selections on the Victrola by Mr. H. J. Burkett.

### CHAPEL SERVICES.

The speaker at Chapel last Sunday was Rabbi Henry Barnstein of Houston. He spoke on the subject of "Moral Courage," and treated it in a way few of us ever heard before. As illustrations he used the story of the death of Sir Philip Sidney and another story of King David.

The sermon lasted about thirty minutes, and was enjoyed by every one; by some for the fact that it was one of the best sermons that has been heard in Chapel, and by others for its brevity.

## STATE WINS IN TRACK MEET HELD FRIDAY

A. & M. Came Second, Rice Third---Meet Interesting And Exciting---Several Records Broken

In the triangular meet held here last Friday, State came out ahead, with A. & M. second and Rice third. The score was: State, 69½; A. & M., 41, and Rice, 14½. There were a few showers in the morning, but the afternoon was clear and the only effect of the showers was to make the track faster. That the track was in the finest kind of condition is evidenced by the number of records equaled and broken, as it is unusual for records to be broken this early in the season. Mathis of Texas broke the State record in the mile, running the distance in 4:47½. Haines of A. & M. broke the State record in the shot put, putting it 41 feet 8½ inches. Hodges of Texas broke the record in the half mile. Rothe of A. & M. tied the State record in the broad jump with a leap of 21 feet 3½ inches.

Littlefield of Texas was the high point winner in the meet. He won both hurdle races, third in the broad jump and tied for third in the high jump. Rothe, Jordan and Frame came next with ten points each. Then Haines and Turner followed with eight points each.

Joe Turner furnished the sensation of the meet when he won the 440 in 52.3-5 seconds. Not only was it the fastest 440 seen in the State in several years, but the headwork displayed by Joe and Bullet fooled everybody.

Hans Rothe was the high point winner for A. & M. Hans went into the pole vault with that old grin on his face and won the pole vault in five jumps, clearing the bar on every jump. Nobody seems to know how high Rothe can go and everyone was hoping that someone would push him, but Hans won the event in a walk. Schuhardt, who tied for third place in the pole vault, went high enough, but he couldn't get his arms out of the way. With a little more coaching he will make a good man. Hans also won the broad jump, tying the State record in doing it.

Joe Turner came back strong this year and won the 440 by putting an awful sprint on the end. When the bunch past behind the bleachers Joe was behind, but a second later when they reappeared Joe was ahead and he never slowed up until he crossed the finish line. Joe also won second place in the broad jump. He says he is going to beat Hans the next time they broad jump.

Old Corporal Haines had those Texas boys watching him with open eyes and mouths when he got busy with the shot. Several of them were afraid that he would lose it. Notwithstanding the fact that the ball was muddy and slippery, Paul broke the State record with a put of 41 feet 8½ inches. Haines also won second place in the discus.

Pete Everett got up out of the hospital about two weeks before the meet, but he got second place in the high hurdles and made Littlefield hustle to win. Better watch out for Pete when he gets into shape. As the Dallas News said last fall, after the L. S. U. game, Pete is a regular "human kangaroo."

Mitchell and Collins tied for second place in the 100-yard dash. They were only a foot or two behind Frame at the finish. Mitch and Collins are both feeling mean now, and when the State meet is pulled off, Frame will have to hustle. Mitch also won third place in the 220 dash.

Buchanan got third place in the high hurdles and tied for third in the high jump.

Old Nick Braumiller got third place in the shotput. He couldn't get his best hurl into the discus somehow, and didn't place, but just to show them that he knew how, he threw it over 124 feet after the meet. Nick will be right in the next meet, and he will probably break the State record.

Fish Erskine won third place in the half mile. Fish Schuhardt tied for third place in the pole vault.

The meet was pulled off in the most orderly fashion seen in years. There were no long waits, disputes or anything else that would mar the meet. The track was admitted by all the visitors to be the fastest in the State. A friendly feeling of rivalry prevailed thruout the meet. This meet was the first active renewal of athletic relations with the University. It was also the first track meet held at A. & M. for four years. From now on they will occur oftener, and everyone believes that A. & M. will soon win back her old track supremacy.

The results:

220 hurdles—Littlefield (Texas), Spiller (Rice), Tucker (Texas), 26 1-5 seconds.

220 dash—Frame (Texas), Brown (Rice), Mitchell (A. and M.), 22 4-5.

120 hurdles—Littlefield (Texas),

(Continued on page 4.)

## ANNUAL CARNIVAL IS COMING SOON

MAMMOTH PARADE WILL BE A NEW FEATURE OF THE SPRING JOYFEST.

Masquerade Ball at Night Will Add to the Big Annual Show at Close of Track Meet.

The annual carnival at Kyle Field at the close of the A. and M. College Interscholastic track meet will be opened this year with a mammoth agricultural parade, floats for which are being constructed now by the different agricultural departments.

Plans for this year's carnival call for the placing of the annual show on a much broader basis than it has been before. Departmental shows will add to the interest and enthusiasm taken in this feature by the cadets of the college and also will improve the list of attractions offered on the "Path of Joy." All of the engineering divisions will have tents this season and in these tents shows and features representative of the work of the various departments will be given.

The parade will be participated in by the agricultural departments only, and Dr. J. O. Morgan, who is chairman of that committee, says that some splendid floats are being planned.

The entire carnival will be, by nature, such that the visitors to the college will get a good idea of what the college is doing along the different lines of scholastic endeavor, and yet none of the amusing features will be sacrificed. There will be fun, plenty of it, and the masquerade ball that night will be one of the brightest features.

Those cadets who are planning to invite young ladies here for the track meet, Ross Volunteer hop and the carnival should suggest that they bring costumes suitable for the masquerade that night.

More detailed announcements for carnival will be given in the Battalion next week.

Mrs. Mitchell, an experienced teacher of dancing, and a recent pupil of Castle, will hold classes at the Auditorium every afternoon from 3 to 6 o'clock. Eight lessons for \$5, or 75 cents a lesson.

### IMPORTANT NOTICE.

Cadets who will have young women here for the Ross Volunteer hop and the Carnival are reminded that the evening session of the Carnival will be featured by a masquerade ball. Please write your visitors and urge them to bring with them some kind of a masquerade costume. The masquerade ball will add materially to the Carnival spirit, and yet there need be no fear that rough or ungentlemanly behavior will be tolerated.

PRESIDENT OF THE CARNIVAL.
