

**"PEP" MEETING HELD  
BEFORE TRACK MEET.**

An old-time "pep" meeting was well attended by the corps last Thursday night.

The purpose of the meeting was to arouse more interest in the track meet, and judging from the size of the crowd out Friday it accomplished its purpose.

The meeting was opened with some "pep"-raising yells. Dan Scott, manager of track, expressed his desire for the meet to be a success, and made other remarks of interest concerning the meet.

Dean Kyle spoke briefly about the progress of the coming high school track meet. He said the meet was arousing interest thruout the State, and a large crowd is expected.

Our guests from Austin were called upon for talks. Those responding were Coach Metzenthin, Jordan, Cotten and Mathis. Their remarks were well received and applause was frequent.

**POOR GIRL.**

If she goes with the boys she is a coquette. If she doesn't and prefers a "steady," she couldn't get anyone else. If she majors in chemistry or Greek, she is queer; if she doesn't, she is looking for snap courses. If she is athletic, she loses her maidenly charm; if she isn't—well, girls can't do much anyway. If she belongs to a club, she is frivolous; if not, she couldn't get in. If she doesn't wear a diamond, she isn't engaged; if she does, she is running a bluff. If she asserts herself in class, she is strongheaded; if she doesn't she hasn't any brain. If she doesn't talk much, she is uninteresting; if she does, she is tiresome.

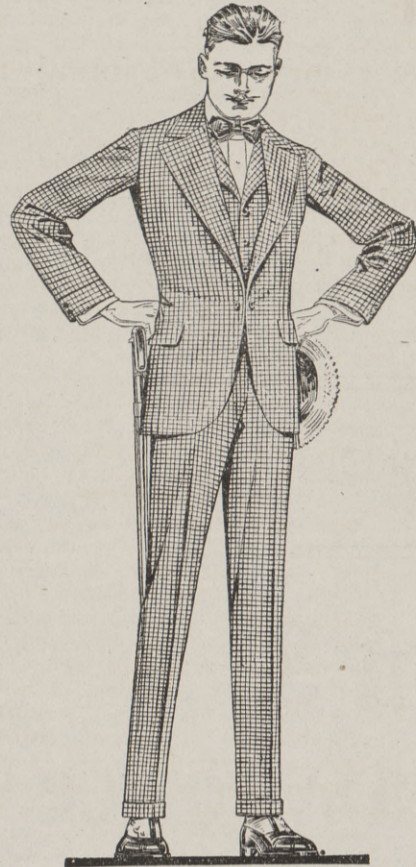

Now, what is she going to do?—Exchange.
