## WEBB BROS.

News has just been received that Jno. M. Henderson of Waelder, Texas, and an old "B" Company man, was united in marriage to Miss Ruth Forrester of Goldthwaite, Texas, on Wednesday, March 31st, last. John was a member of the corps for three years, and during his residence here, made a host of fast friends. It is with pleasure that we make mention of his marriage, and much success and happiness is wished him for the future.

### A Friendly "Fish."

Some of the members of Prof. McMillan's class were protesting because they had to make up some work they had missed while on a furlough. These aforesaid unfortunates informed Prof. McMillan that Prof. Gee had excused them for similar work they had missed under him, but were not making much headway towards overcoming Prof. McMillan's obdurate and vehement objection, when suddenly the chirping voice of "Fish" Woods on the front row was heard, "Come on, Mac, be a sport."

### BRAMILLER'S MEN WIN ALL-COMPANY GAME.

In the all-company basketball game held last week, Walter Braumiller's sure-shots defeated Runt Hanson's tigers by a score of 15-12. The game was close all the way through, and both the teams showed that they had been well coached. It was team work that finally won the victory for the sure-

shots. Griesenbeck, at center, was the star of the game. He seemed to be all over the field at once, and scored almost half of the winning team's points. There was a large crowd out, probably due in part to the inducement offered to those buying tickets.

The men chosen as all-company men were: Griesenbeck, center; Garza and Allen, forwards, and Juehl and Bozeman, guards. These men will each get a silver basketball. Walter Braumiller was chosen all-company coach, and he also gets a basketball.
