all the year thru Tom Brailsford, like Rigney, had a bad ankle, and later in the season Tom suffered from rheumatism. That did not keep him from playing an almost perfect game, however. In the field Thodberg started well and was a hitting demon. Thodberg probably could cover more ground than any man in the outer gardens. Just before the games with Texas he broke his ankle. Kendrick, Hooker and Powers formed an outfield that was pretty sure to gobble up everything that came their way. Hooker fielded 1000, while Powers only dropped one, an awful hard one, which really should have been Hooker's ball.

A. and M. perhaps excelled as a fielding club. On the defensive it was

In the initial meet of the Southwestern Conference, held at Ausin last Friday, the Farmer track team won third place. State University won the meet with 48 2-3 points, Oklahoma U. was second with 43 and A. and M. got third with 21 points.

Excellent time was made in all the events, and the State and Southern records dropped on every side. Jacobs of Oklahoma was the individual star of the meet. He broke the Southern record in the high jump with a leap of 5 feet 9 1-2 inches, won the 220-yard low hurdles and the broad jump, and got second place in the 120 hurdles.

Hodges of State broke the half-mile record, doing the distance in 2 minutes 2-5 seconds. Fields of Oklahoma furnished the real sensation of the meet when he ran the mile in 4 minutes 3-5 seconds, knocking over ten seconds off of the State record. Berry of State won the shot put with a heave of 42 feet 5 inches, breaking the State and Southern records.

The thriller of the meet was the relay race. When the teams lined up, the score was 43 2-3 to 42 in favor of State. The rooters were begging all the relay teams to beat Oklahoma. Bill Collins ran the first lap for A. and M. and gave the second man a little lead.

almost impossible to get one by the Farmers. L. J. Skeeler led the strike-out column, making fourteen Trintorians fan the breeze. Olson held Daniel Baker hitless and L. J. Skeeler let T. C. U. down on their own lot with one bingle. W. J. Skeeler pitched consistent ball.

The figures compiled by the official scorer, Cadet Johnson, show that A. and M. was not a heavy-hitting club. However, the Aggies hit when hits meant runs. They could be depended upon to hit in the pinches. Time and time again Cherry, Rigney, Berringer and others drove out two and three-baggers with men on the bases, these raps deciding the final score of the contest. Extra-base knocks were frequent, too, the Farmers holding the reputation of being long hitters.

The averages compiled by Johnson follow:

However, Texas passed our man in the second lap. At the beginning of the fourth lap State had a ten-yard lead on "Bullet" Moses, but he went after Scurlock in a hurry. For a while it looked as if "Bullet" would pass him, but Scurlock had too much lead. Nevertheless, "Bullet" finished right behind Scurlock. Scurlock ran his quarter in 51 seconds and "Bullet" gained on him. "Bullet" probably broke the State record in the quarter, which is 50 4-5 seconds.

Brooks did have much trouble winning the pole vault, and Schuhardt was right behind him all the time. Mitchell got a hump on himself and finished an unusually close second in the 220 dash. Haines took an easy second in the shot put, and Nick Braumiller won second place in the discus, with a heave of 119 feet. Pete Everett came out third in the high hurdles in a regular blanket finish.

The Southwestern meet will be held here next year, and it is up to A. and M. to win the meet. The prospects are good for a winning team next year. Captain Everett is the only Senior on the team. All the rest will be back. In addition, there will be a number of first-class high school men here next year, who ought to show up well.

**STOCK LAW PASSES;  
CAMPUS FOLKS GLAD.**

Residents of the campus and August Thomsen, grounds keeper, are joyful over the recent passage of a law requiring all stock in this precinct to be kept in restraint. The most serious drawback to the development of the "campus beautiful" aside from the lack of appropriations has been the damage wrought by stock turned into the campus to graze.

Every effort was exerted to keep the stock driven off the campus, but all of these failed. Now that stock cannot be turned loose to browse on the college grounds, it will be worth the while of campus people to try and beautify their premises.

The election was carried overwhelmingly.
