## HIGH SCHOOL DAY, MAY 9TH.

Annual Interscholastic Meet to be a Fast Event.

The Annual State A, and M. High School Track and Field Meet promises to be one of the fastest held in recent years. It will be an invitation affair and only the best athletes will be invited. This will mean a smaller number but will not be so hard on the contestants as the number of heats to be run will be considerable less. It is the plan to have about eight entries in each event. The list of schools invited to send men follows:

- Bryan High.
- Brenham High.
- Cameron High.
- Calvert High.
- Corsicana High.
- De Leon High.
- Cleburne High.
- Forth Worth Central.
- Dallas (Bryan St.)
- Dallas (Forrest Ave.)
- Ferris High.
- Waxahachie High.
- Greenville High.
- Hillsboro High.
- Garland High.
- Marlin High.
- Houston High.
- Kyle High.
- Navasota High.
- Temple High.
- Waco High.
- Orange High.
- Weatherford High.
- Port Arthur High.
- Rosebud High.
- Caldwell High.
- Terrill School (Dallas).
- West Texas (San Antonio).
- San Marcos, B. Academy.
- Allen Academy (Bryan).

## FAITH.

Since all that is was even bound to be;  
Since grim, eternal laws our being bind;  
And both the riddle and the answer find,  
And both the courage and the calm decree;  
Since plain written the book of Destiny,  
Is written all the journey of mankind,  
Inexorable to the end; since blind  
And mortal puppets playing parts are we.

Then let's have faith; good cometh out of ill;  
The power that shapes the strife shall end the strife;  
Then let's bow down before the unknown will;  
Fight on, believing all is well with life;  
Seeing within the worst of war's red rage,  
The gleam, the glory of the Golden Age.

"Darling, here's your warrior bold  
My general orders:  
Silver stripes instead of gold  
Shine upon his sleeve today  
'Cause he couldn't sail away."

Her answer

"But, my darling, don't you bleat—  
No one thinks you had cold feet,  
Y' had to do as you were told—  
Silver stripes instead of gold."

Not to change the subject—but a doughboy in Foster Hall looks about as forlorn as powder puff at a stag party.

## BATTERY "A"—IMPRESSIVE TOTEMS.

Our motto, "In cadence, eyes up." Crossed brushes on a field of mud with a Shinola can rampant, has been adopted as the official coat of arms. The watchword is "Prepare for Inspection," the countersign, "Police that button." Our guidon is the broom which guides us on (especially the "Fish") during all hours of the day.

The marching cadence is for the head of the column, the hesitation waltz, for the rear, the fox trot. Battery Song: "No-o-o-ow let's get a little sna-a-ap into-o-o-it." Colors, black and blue, (since the sophomores of Goodwin Hall have become so congenial), carried at the rear of the column.

Judging from his performance of April 15th, our esteemed Sergeant Barnes isn't used to being in the ranke.
