

**HIGH SCHOOL ATHLETICS
COMPETE FRIDAY**

(Continued from page 1.)

aries will be run off in the morning, leaving only the finals for Friday afternoon. Saturday night the finals in the Boxing Tournament will be held and these promise to be fast and furious exhibitions. On the whole the week-end promises to be a most interesting one and the visitors will be given a chance to see some of the real A. and M. life.

Among the schools send men are the following high schools: Bryan, Brenham, Cameron, Calvert, Corsicana, DeLeon, Cleburne, Ft. Worth Central, Dallas (Bryan St. and Forrest Ave.), Ferris, Waxahachie, Garland, Greenville, Hillsboro, Marlin, Houston, Kyle, Navasota, Temple, Waco, Orange, Weatherford, Port Arthur, Rosebud, Caldwell.

The following "prep" schools will also enter teams, Terril School (Dallas), West Texas (San Antonio) San Marcos Baptist Academy and Allen Academy (Bryan).

It is urged that the A. and M. men from these various cities and schools meet their teams and do everything possible for their comfort and welfare. The impression made upon these visitors will be carried back and passed on to hundreds of graduating high school men. It is to the advantage of every Aggie to see that this impression is a good one.

TARGET PRACTICE

AGAIN OFFERED CADETS

(Continued from page 6.)

range the men will go to the range for the prescribed course with rifle. The new target range will be ready by the time gallery practice is completed. This range will be modern and up-to-date in every detail. All practice is under the strict supervision of the officers and non-commissioned officers from the Military department. The cadet corps is to be congratulated for having such good opportunities to learn the use of firearms.

**ROSS MONUMENT
UNVEILED SUNDAY**

(Continued from page 1.)

Miss Louise Cline representing the Daughters of the Confederacy placed upon the statue an appropriate floral wreath presented by the Confederacy Chapter of Bryan. In behalf of the College, Hon. L. J. Hart, President of the Board of Directors, with a few appropriate words accepted the statue as given by the State.

Dr. Bizzell called upon one of Governor Ross' old soldiers, Captain Kelley, to say a few words concerning his connection with Governor Ross. Holding the last remaining flag of the Texas Legion in his hand, Captain Kelly told of the many fine principles of true manhood as set forth by General Ross while serving under him. Following Captain Kelly's remarks, President Bizzell introduced Judge Norman G. Kittrell of Houston, as the speaker of the occasion. Having been a bosom friend of Governor Ross, Judge Kittrell in a stirring address told us of Governor Ross as he knew him, as the people knew him. It would be impossible to quote the address of Judge Kittrell as no part could be omitted, but the address delivered was one of the most fitting and inspiring of its kind ever heard here. Upon the conclusion of Judge Kittrell's address, Dr. C. M. Bishop with an invocation closed the service.

We, the students of this school, consider it an honor to have so fitting a memorial placed on our campus. We feel it the duty of every true A. and M. man to uphold traditions set forth by so true and noble a man as Lawrence Sullivan Ross.

**R. O. T. C. CAMP TO BE
HELD THIS SUMMER**

(Continued from Page 1)

with insomnia, here is your chance to get rid of it. If the cares of the world lay heavy upon your soul, here is the opportunity to drown them with forgetfulness for there is absolutely no time to think of two things at once if you are to make one of these camps. No inducements of an easy life are offered, but even with the hard work no man could truthfully say that his stay at a camp like this was an unprofitable one.

Drink

DELICIOUS and REFRESHING

You can't think of "delicious" or "refreshing" without thinking of Coca-Cola.

You can't drink Coca-Cola without being delighted and refreshed.

The taste is the test of Coca-Cola quality—so clearly distinguishes it from imitations that you cannot be deceived.

Demand the genuine by its name—nicknames encourage substitution.
