NUMBER 8

ALLEN ACADEMY AND GREENVILLE HIGH WIN MEET

ALLEN ACADEMY AND GREENVILLE HIGH WINNERS IN NINTH INTERSCHOLASTIC TRACK MEET.

Several Records Broken

In one of the closest meets ever held on Kyle Field the Greenville and Allen teams won in the high school and academy divisions respectively. It was not until the last event, the javelin throw, that the meet was decided as Bryan Street High of Dallas and Terrill Training School of the same place were tied with both winners. In this last event however both Greenville and Allen won first place and the meet.

Altho the number of contestants was limited the speed of the meet was no way impaired as eight records were broken and another tied. In the High School class Rabb of Smithville set a new mark of 22.4 for the 220 yard dash. Jackson of Garland raised the pole vault height to 11 feet 6 1-4 inches; Wilson of Forrest Ave. High increased the broad jump record to 21 feet 6 inches, and Hernaell of Greenville hurled the javelin 138 feet for a new record. Among the Academy contestants Ward of San Marcos stepped the 220 in 22 flat for a new record; Heyne of Allen cleared the bar at 5 feet 7 inches for a new mark in the high jump and in the mile and half mile relays the Terrill school runners set marks of 3:43 and 1:37 3-5 respectively. These records are all the more noteworthy when it is remembered that the tracks and fields were very heavy from recent rain and part of the Meet itself had to be run off in the rain.

The high point men in the High school division were, Rabb of Smithville, Wilson of Forrest Ave. High, Dallas, and Hall of Greenville, with 10 points each. In the Academy class Harris of Terrill, led with a total of 17 points and incidentally tied the state record in the 220 hurdles. The medals and cups were presented to the winners at an entertainment given in their honor Friday night.

COMMENCEMENT EXERCISES

OF THE AGRICULTURAL AND MECHANICAL COLLEGE

1919.

Saturday, June Twenty-First.

3:00 p. m.—Individual Competitive Drill—by Companies.
6:00 p. m.—Individual Competitive Drill—by Ross Volunteers.
8:30 p. m.—Senior Class Exercises.

Sunday, June Twenty-Second.

8:00 a. m.—Guard Mounting.
9:00 a. m.—Inspection of Quarters.
10:00 a. m.—Commencement Sermon.

Announcing of Honor, Awarding of Certificates, Granting of Diplomas—L. J. Hart, President of Board of Directors.
4:00 p. m.—Graduating Dress Parade.
9:30 p. m.—Final Ball.

TEXAS TAKES TWO STRAIGHT FROM A. AND M.

FIRST GAME AN AIR-TIGHT PITCHERS' BATTLE, SECOND, A PUNK PERFORMANCE.

A. & M. 0-3---Texas 1-11

In one of the most heart-breaking games even seen on the local lot the Longhorns took the first set-to of the series by a score 1-0 score. The game was a beautiful exhibition of air-tight pitching; both Daniels and Falk being almost invincible. Altho the victory went to the star portside hurler of the Orange and White he was really out-pitched by Freshman Daniels who allowed but one bingle and that a lucky one. At the same time the Aggies were amassing a total of five safe blows against the chesty Mr. Falk but when a hit meant a run the husky left-hander was invincible. Daniels is certainly pitching in hard luck and with a jinx right on top of him as this is the second time he has held his opponents to less than three hits and yet lost the game.

The lone tally of the game came in the fourth frame when Greer received a pass, went to second when Barry took one in the ribs and scored on Robertson's lucky hit to right. After this the Longhorns never threatened to score again while the big opportunity of the Farmers came in the last of the ninth. Lewis opened the session by flying out to right but "Red" Lackey, pinch hitting for Guynes, brought joy to the Aggie hearts by singling to the left garden. Kubena took the Irishmans place at first, was sacrificed to second by Rothe and in the confusion the fleet Kubena went on to third where he was replaced by Smith. On an attempted squeeze, Smith was caught off third when Forrest failed to bunt and the Aggies chance went glimmering.

Both clubs played air-tight baseball throughout the games, the Farmers erring three times and the Longhorn's twice. Davis caught an excellent game for the home club

OKLAHOMA U. WINS SOUTHWESTERN MEET AT DALLAS

Oklahoma with a well balanced team of athletes, some of whom are stars, not only won the Southwestern Meet but took more points than the other six colleges combined. Each team's final score was as follows: Oklahoma 78, Texas University 37, S. M. U. 16, Rice 13, Texas A. and M. 9 1-2, Oklahoma A. and M. 8, and Baylor 5 1-2.

The winners won first places in the 100 yd dash, the 220 yd dash, the 440, the 880, the mile, the two

THREE INCH PIECES OF ARTILLERY ARRIVE AT COLLEGE

Uncle Sam sent a Battery of Artillery to the College to be used by the lads of the Field Artillery. On the morning of the fifth of May the first shipment of Artillery arrived at the College. It was composed of one car well loaded with one lonely Caissou for a 4.7 Battery. But by the first of this week matters took on a different view. Two more cars arrived from San Antonio, Texas, and they contained a whole Battery of the famous American three inch material with the limber to the lone
