A. and M. College Annual Will
Soon Be Ready for Dis-
tribution.

At the time of writing of this article, the 1919 addition of the Longhorn will have been completed. It is expected that the book will go to press within one week. The job is being done by the Hammermith Kortmeyer Co., of Milwaukee, and it is expected that this edition of the year book will be of the very best. Considerable time and thought

have been given to each section of the book, nothing of importance or interest has been left out. The drawings, color sketches, for the book are to be of a very extraordinary kind, they having been drawn under the supervision of the art editor, John A. Williamson.

We feel sure that when the book is released from the press, which will be about June 15, everyone will commend the business manager, the editor-in-chief, and the art editor for their excellent work accomplished in so short time. The class of '19 will indeed be well represented and remembered by this year's Longhorn.
