The "w" pool is open again. All this season it has been closed because of the scarcity of the water, but Mr. Hickman, in charge of the building, assures us that if the water supply holds out it will be kept open for the rest of the year. Mr. Hickman also assures us that the water will be changed as often as possible and the pool kept clean so that there is no reason for any one not making the best use of it as long as the water lasts.
