EDMUND M. LONGCOPE.
President of the Class of '20.

Edmund M. Longcope, of Houston, who is our selected leader for this year, is one of the popular members of the class of 1920.

"Eddie" first stepped into the "lime light" when he starred as captain of the Fish basketball team of 1916-17. He continued his athletic career by winning a letter in '17-'18, and was rewarded by being elected captain of the basketball team for this past season. In addition to this he has won a place on last year's All-Company football team.

About a year ago "Ed" left for training camp at Fort Sheridan, Ill.,

where he received his commission in the Field Artillery. He was stationed at Camp Zachary Taylor, Louisville, Ky., until discharged, December 28, 1918. He then returned to college where he resumed his basketball captaincy and was shortly afterwards elected president of the Junior class.

When the Artillery unit was organized "Ed" was transferred to the Battery and was promoted to the 'top' sergeant of that organization. We are very fortunate to have a man of such experience and attainments as our president.
