The Junior Class takes this means of extending its most hearty thanks to Mr. and Mrs. N. M. McGinnis for their extreme kindness in accommodating the Junior Toastmaster during his days of hiding and making it possible thereby for the Juniors to reduce their nerve tension for a few days previous to the Banquet. This is an example of what a "friend in need" our alumni will be, if only given the opportunity. Mr. McGinnis, '08, has the Junior Class at his bidding.

—JUNIORS—

The "Cabaret Style" evening mess was so highly appreciated it didn't last. If the only cause is the removal of the piano to the Airdome, the cadet corps will gladly lend assistance for its replacement in the Mess Hall. We realize that it is warm work for the Orchestra—but, Oh! How we like the jazz with our "hank"!
