

RABBI'S RAVINGS

ALL ye proud and cocky  
 \* \* \*  
 SOPHS; all ye studious,  
 \* \* \*  
 RESERVED Juniors; all ye  
 \* \* \*  
 LEARNED and dignified Seniors;  
 \* \* \*  
 DRAW yourselves hither from  
 \* \* \*  
 HENCE and consider not what  
 \* \* \*  
 PASSETH over your heads!  
 \* \* \*  
 BUT come unto me, Fish, with  
 \* \* \*  
 EARS big as cabbage leaves  
 \* \* \*  
 READY for straight dope—  
 \* \* \*  
 (NOT mess hall variety!)  
 \* \* \*  
 AND take a tip—Don't ever  
 \* \* \*  
 IN your "talk-fests," (and  
 \* \* \*  
 YOU know what I mean!)  
 \* \* \*  
 BOAST of what a loyal son of  
 \* \* \*  
 THE MAROON AND WHITE you  
 \* \* \*  
 HAPPEN to be, and of how  
 \* \* \*  
 MUCH School Spirit and old  
 \* \* \*  
 A. & M. Pep you possess until—  
 \* \* \*  
 SOME cold November morn  
 \* \* \*  
 YOU crawl out at 3:00 a. m.  
 \* \* \*  
 AND march to the depot while  
 \* \* \*  
 FROST bites your toes and ears  
 \* \* \*  
 AND drizzling rain wets  
 \* \* \*  
 YOU to the skin and you  
 \* \* \*  
 FORGET it all and yell your  
 \* \* \*  
 FOOL head off and your rubber  
 \* \* \*  
 NECK sore and wave whatever  
 \* \* \*  
 WHILE the band blares out  
 \* \* \*  
 "WILD CAT" and with red lights and  
 \* \* \*  
 CHEROKEE yells escort a  
 \* \* \*  
 LOSING team to their  
 \* \* \*  
 ROOSTS - ! (God forbid you  
 \* \* \*  
 EVER having the opportunity.)  
 \* \* \*  
 BUT remember that such is  
 \* \* \*  
 A. & M. Spirit and Pep.  
 \* \* \*  
 HAVE YOU GOT IT ?  
 \* \* \*  
 The Idea: Actions speak louder than  
 words !

THE VILYUN

Many's the evil deal he's dole;  
 Many's the sin he's sun;  
 In many a jail has he been jole,  
 And many a man he's skun.  
 I'd give my head for the drink he's  
 drunk,  
 And the sights that he has sit,  
 With that wicked wink he always  
 wunk  
 When a bloody fight was fit;  
 And the evil smile he always smole  
 When a wicked dance was dunce.  
 I wish I had the chink he's stole,  
 Without the chance he's chunce.  
 O, a desperate man, I never seen,  
 Who'd climb where he has clumb;  
 For the Villun on the screen  
 This rambling ryme is rum.

 AND OTHERS

The Lariat announces Baylor's  
 Diamond Session. The Bears have a  
 name and traditions that go back  
 seventy-five years and with the larg-  
 est attendance on record and wonder-  
 ful football prospects they look for-  
 ward to a great year.

Nebraska "U" has lots of pep—  
 torchlight parades and rally meetings  
 helping to keep the spirit at its  
 highest ebb. They are instituting  
 green football jerseys and sawdust  
 fields for the first time this year, ac-  
 cording to the Daily Nebraskan.

Mr. and Mrs. A. C. Parker of Dal-  
 las have presented T.C.U. with \$80,  
 000 for a University Church Build-  
 ing and the dream of years is at last  
 realized says The Skiff.

A course in Journalism is ocered  
 at Simmons College for the first time  
 this year announces The Brand.

The Trinitonian says their line av-  
 erages 174 pounds and their back-  
 field is the fastest in the state.

Southwest Texas Normal has or-  
 ganized a Normal Band for the pres-  
 ent year says The Star.

At the Missouri School of Mines  
 Kirksville Osteopaths were defeated  
 19-6 in the first game of the season.

Mississippi A. and M. has made all  
 arrangements for a Hallowe'en Ball  
 to follow their expected victory over  
 L.S.U. The Reflector is carrying a  
 Passing Review of the R.O.T.C. Camp  
 at Zachery Taylor and the Bull Dog  
 Bunch havn't forgotten their Texas  
 cowboy friends.

C.I.A. is making the Lass-o (al-  
 ways A. and M.'s favorite paper) un-  
 usually good this year. But you  
 heard all the C.I.A. news in Dallas!

The Daily Texan says many State  
 girls will be at the Cotton Palace.  
 Good! No matter how hard our foot-  
 ball teams fight on the old grid we  
 are strong for the ladies.

The Scalper, Texas University's  
 new humorous paper is A-1. We  
 Judge it will have a long Life and  
 tickle the ribs of the editors of Puck  
 as well as .Awgwan, .Widow, and  
 Tiger.

Baylor College is making an at-  
 tempt to get President Hardy's con-  
 sent to their attending the Baylor-  
 A. and M. game at the Cotton Pal-  
 ace. Go to it, grils, A. and M. strongly  
 favors your efforts.

At the Missouri School of Mines  
 a pair of "Frosh", as they term them,  
 were dipped in the icy waters of  
 "Persuasion Pool" for neglecting to  
 observe time-honored traditions of  
 the school. Very appropriate, is our  
 verdict—and we have a "Fish Tank"  
 of our own that has not been long in  
 disuse!

Spell It Out for ZUMO

By way of explanation it might be  
 said that he has only played in one  
 game with S. M. U., at Dallas—on ac-  
 count of indigestion he will probably  
 be out of the games for the rest of  
 the season. He was a valuable man,  
 as he developed a terrible kick and  
 could see things that others couldn't  
 and really caused the spectators to  
 become dizzy.
