

"Y" IN ACTION

Men interested in Y work began arriving Monday and conferences were immediately in order and definite work was begun. The first plan struck off was that of having each train, night and day, met by Y men, and an informal introduction made to each Freshman. At which time the Fish were presented with a Y handbook. Tuesday night the complete Association Cabinet met to hear Dr. Bizzell, Dr. Fountain and Mr. John Erhard. Inspiring talks were heard; at which time Dr. Bizzell again reaffirmed his deepest interest in religious work and heartily endorsed the program of the Y. M. C. A. for the ensuing year. The Y Cabinet is composed of the following men: D. D. Steele, President, '22; C. F. Reynaud, vice-president, '22; J. J. Wyly, recorder, '22; J. W. Mayo, treasurer, '22; C. E. Olsen, '22; J. A. Religious Program.

The Religious Committee will this year be responsible for the Sunday morning Bible School, mid-week Y service, and with the earnest cooperation of the student pastors, will endeavor to come in contact with every student and campus resident, and with every enlisted man connected with the college.

It will be of great interest to know that several noted speakers have been asked to speak at the mid-week services, at which time subjects pertaining particularly to the college man and his religion will be discussed.

Until further notice the student pastors will organize their respective groups, and will meet in the following buildings at the times mentioned:

- Episcopalians 9:30 a. m., Sunday, C. E. Building.
- Methodists, 7:30 p. m., Sunday, E. E. Building.
- Baptists, 6:45 p. m., Sunday, Guion Hall.
- Presbyterians, 6:45 p. m., Sunday, "Y" Chapel.
- Catholics, 9:00 a. m., Main Building.
- Christians, cooperating with Presbyterians in "Y" Chapel.

The student pastors will have their office in the "Y" Building, and may be reached through Mr. L. G. Jones, general secretary of the Y. M. C. A. The "Y" at Hollister.

Seventeen A. and M. men attended the Y. M. C. A. conferences held at Hollister, Mo. The first conference, a school for the employed officers of the Y. M. C. A., closed on the eighth of June. Fourteen A. and M. men were in attendance at this conference throughout the two weeks of the course. These men were: L. G. Jones, Ward Browning, D. D. Steele, B. Eubank, J. J. Wyly, P. W. Drummit, B. B. Naschke, C. K. Frazier, L. W. Littlejohn, C. Snell, J. A. Albritton, J. M. Fountain, A. L. Parke, J. S. Smith, and J. H. Wheelock. With the exception of East Texas Normal, A. and M. was the only school that had a large and powerful delegation. A. and M. pep overshadowed that of any other organization. The Aggie yells soon silenced all (cheers) from other sections. The delegation won many honors in the activities of the

camp. Jones won his way to the finals in tennis. On Texas stunt night Jones and Wheelock presented vaudeville skits that were the most clever entertainment given in camp. Littlejohn won four first places in the track meet. Browning was chairman of the stunt committee, and Steele was chairman of the Athletic committee. The group made an excellent scholarship record also. Much of the best work of the conference was done by A. and M.

The second conference, for college students, began on the tenth of June and closed on the twentieth. Nearly all of the A. and M. delegation registered for this conference also. Their numbers were increased by the arrival of Mr. J. E. Lewis, former secretary of the Y, Mrs. Lewis, C. E. Olsen and D. A. Douthit. A. and M. was prominent in the activities of this conference as at the previous one. Olsen was pitcher for the camp baseball team and manager of Texas athletics. Steele was one of the two officers elected to represent the Texas group. Drummit was elected Texas yell leader, and business manager of the Camp Annual.

The representatives entered thoroughly into the life of the conferences and gathered new ideas and received inspiration with which they hope to make the ideals of Christ real in the lives of the college students. They won respect for the college among representatives of all the colleges of the Southwest.

Social Program.

The social program has been planned to reach the same objective as that of the religious program, namely, that students be led to create on the campus the social customs and spirit worthy of a Christian community. To this end, therefore, is to take the social program desperately in earnest being convinced that the securing of a Christian social point of view, and the hammering out of social convictions are fundamental means. The first requisite for success in this work is a careful survey of the social situation in the college. The resume has been partly made, and as a result entertainment was furnished in the form of wrestling bouts and a picture show last Wednesday night.
