

**LIVE STOCK TEAM
GETTING ACTIVE**

(Continued From Page 1)

last spring. The experience that they received from these contests will be of great value to them in helping to win the International this year. All of the men are working hard during their regular classes and all of Saturday afternoons.

The International Live Stock Judging Team from this College will compete with similar teams from the best agricultural colleges of this country and Canada. The contest will be held at Chicago during the International Live Stock Show. The school that wins the contest is awarded the Bronze Bull. The bull must be won three times before it becomes the permanent property of the winning school. Texas A. and M. has to win the bull only one more time for it to become the permanent property of the College, as we won it in 1913 and 1919. The International Team of 1920 is determined to win the bull again this year, and to bring it back to Texas for all time to come.

**FIRST STAG HOP
WAS HELD IN GYM**

(Continued From Page 1)

"o". To the tunes of "Rough Stuff, Real Stuff, Texas A. and M.," "My Baby Smiles At Me," and a number of locally composed harmonies the vanguard of the Worshipers of the Shimmy merrily rolled along to the Gym.

There the newly-organized Jazz Sextette quickly "got right" and the battle was on. Knickerbocker, McConnell, Warden, Bloodworth, and Schler aided "Hub Caps" in "barking" at the gate to the entertainers of

"Let your conscience be your guide! Your quarter's your invitation! Hurry up and get inside!"

The crowd rapidly got into action.

All known, unknown and still others were the steps illustrated. The shimmy in all its variations was most popular.

Eighty-six pounds was the lightweight on the floor and they went so far in the other direction that the gym scales wouldn't work. Vaudeville never surpassed the feat of an eighty pound man dancing with another some two hundred pounds superior.

Refreshments were delayed but favors were distributed in the form of cigarettes for the "ladies" and Star Navy for the men.

A contest between Fish for Grand Champion Shimmy Shaker was held but decisions are withheld until some future date.

As the fierceness with which the guests entered into their merrymaking increased numerous guests from Bryan and surrounding territory appeared on the scene. A number of ex-students and alumni appeared as if by magic and joy waxed high and tumultuous.

To the new Jazz Hound Sextette which Bill King has announced as the greatest bunch of master musicians ever assembled under one management goes the credit. This jazz producing combination has been collected and rehearsed since the opening of school and will replace the old time A. and M. Five which won such popularity last year. The Sextette consisted of

King, drums.
Clayton, cornet.
Crippen, claironette.

Reynaud, piano.
Buchan, banjo.
Hubbe, saxophone.

**COLLEGE RADIO
PLANS GREAT WORK**

(Continued From Page 1)

of each issue of The Battalion will be devoted to news items from other colleges.

There is a plan under consideration for the establishing of a communication by radio between all R. O. T. C. colleges in the United States. In this way we will be able to keep in touch with the other R. O. T. C. units.

An effort is being made to secure a 2½ K. W. transmitting set. This will give the station an effective transmitting range of more than 2000 miles. The addition of a radio-fone and undamped transmitter in the near future will bring this station up to date in every respect.

The new tower will be completed in a few days, and as system of three antennae will replace the one now in use. As soon as the antennae are in place, an operator will be on duty every night from 7:00 p. m. until 12:00 M.

Taken as a whole, the prospects look very bright for a successful year in radio. It is hoped that the activities undertaken by the radio station will prove a great benefit to the College as well as keep us in touch with the other colleges.

THE STUDENT ACTIVITY FEE.

The Student Activity Fee of \$15 has been paid by practically every student in school. The figures for the payment of the fee up to last Tuesday are as follows:

Students Registered	1557
Students who paid the fee	1347
Students who did not pay	210
Federal students	129
College students who have not paid	81

The Federal students are the only group of students who will pay this fee 100 per cent. strong. Mr. Sullivan of the Athletic Department has made special arrangements with Mr. Nash, whereby the fee for all of the Federal students will be paid in one check. This check has not come yet, but when it does come there will be only eighty-one students in school who have failed to pay the fee. You know whether or not you are one of the eighty-one. If you are and can possibly spare those fifteen "beans", pay that fee. Let us be the only school in the state whose student body has given 100 per cent financial support to its activities. Now we have supported our activities only 94.3 per cent. Let us make it 100 per cent strong.

MEETING OF HORTICULTURAL SOCIETY

The first meeting of the Horticultural Society of this session was held last Monday night in room 20, Agricultural building. During the business session, plans were discussed for the betterment of the Society for the coming year. Plans are under way to have some of the leading horticultural men of the state to speak to the Society. In order to complete the organization of the Society, President F. R. Brison has called a special meeting for next Monday night.

After the business meeting adjourned the Society was the guest of its president. Everyone had a good time, and we are looking forward to the time when more socials will be given. Refreshments were served.
