CORPS DANCE WAS GREAT SUCCESS —MANY ATTEND

Pretty Girls and Jazz Music Caused College Spirit to Run High.

The Corps Dance given Saturday night in the Mess Hall Annex, was the largest and most successful one that has been staged here in many years; and its great success was due to the faithful efforts of our famous "Misery" Sherrill. Misery is the man for this work, for anything Shorty goes into is always a success. We wish to thank him for his faithful efforts, and we are with him strong to help make our social life at A. and M. one of pep and enjoyment.

The couples began to pour into the Mess Hall Annex about eight-thirty and boy! let me tell you all the beauties of Brazos county were there. Yes, sir! The cadets were all dated up strong in number and thanks to them, for without the girls the dance would not have been a success at all. The Seniors all seemed to be misogynists as they seemed to have left the fairer sex at home. May we by meager means of printed word, strive to induce the upper-classmen to bring out the fair sex hereafter, and help make these dances a great success. There are plenty of girls in Brazos county and when these give out, well, just import one for we dance with them just as good.

The dance began about nine o'clock, the College Jazz Sextette furnishing the music, and believe me we have some jazz bunch, still talking about the music of course. We are proud of them and like their music fine which was shown by the many applause for encores. Everyone seemed to be having a gala time, all desiring to get in good shape for the approaching dances. They were all showing the old foot in prime form, and when "Red" Thompson asked the bunch to bear down on our "Famous Battle" (Continued on Page 4)

AGGIES PEELED SCALPS OF BOYS FROM PHILLIPS

Struck Stride For the First Time This Season— Score 47 To 0.

Coach Bible's Aggie machine struck its stride Friday afternoon in the game with Phillips University of Enid, Okla. And when the final whistle sounded the Aggies were the victors by the decisive score of 47 to 0. It was a fine exhibition of football on the part of the Aggies from the first whistle until the end of the game. The score does not give justice to the Enid team for they fought throughout the game but were clearly outclassed by the Farmer machine. Every Aggie punt found the ends well down the field and Phillips unable to make returns on them. The field was slow from rains and several times the Aggie men had open fields but were unable to keep their feet. Mahan played up to form and has surpassed any game he has played this season. He was rarely ever downed until three or more of the Phillips men were hanging to him. Higginbotham played a wonderful game at the halfback position and time after time he tore off long gains around the ends and over tackles and his punting was the feature of the game, he averaging well over fifty yards. Martin played his same old consistent game at the other halfback position and carried the ball several times for long gains. Weir who replaced him the latter part of the game also played a spectacular game. Credit must be given Pierce for the way he handled the team and his work on the defensive was up to the standard of any quarter in the state. It is hard to pick an individual star in the Aggie line because they played as a unit. Drake and Carruthers played a game that is worthy of all-state picks and on ends Wilson and Gouger time after time smashed the opponent's interference (Continued on Page 2)

BAPTISTS FROM BRYAN AND A.&M. IN BROWNWOOD

Annual Session of Baptist Students' Conference Is Well Represented

A number of Bryan people and students from the A. and M. College are in Brownwood this week attending the annual session of the Baptist Students' Conference. This Conference is a wide-awake organization and in the annual meetings timely topics are discussed touching upon the various activities of the denomination, but more particularly upon the work of the young people. The influence of the meetings is far reaching in the religious life of the students of the various institutions represented. Those leaving Bryan on Thursday for the Conference were: Rev. and Mrs. R. L. Brown, Miss Lois Pipkin, Rev. John A. Held, T. Hall, F. L. Bertschler, E. J. Howell, J. H. McDonald, L. Garland. Mr. and Mrs. Lewis of the College "Y" and a number of students joined the party Friday night at the Conference.

THANKSGIVING DANCE APPROACHING.

Boys, The Louisiana Five will be here to furnish music for two nights of dancing. You all know them and you Fish will soon witness one of the largest dances staged in the United States. It is up to you to bring your girl over and show her a good time. So get busy and plan to help us make this dance a great success. It is given in honor of our football team, so it must be a matter worthy of consideration.

RESOLUTIONS OF RESPECT.

Whereas, in His wisdom, the Almighty God has removed from this earth the father of our beloved friend and fellow-member, Conger Poage, therefore;

Be it resolved, that we the members of Co. "B" Infantry, Agricultural and Mechanical College of Texas, do express our heartfelt sympathy to him and the bereaved family.

Be it further resolved, that a copy of these resolutions be sent to the family, and a copy furnished the Battalion for publication.

THANKSGIVING DANCE WILL BE SWELL AFFAIR

Preparations Under Way and Students Urged to Work For Its Success.

'Pears as if the Aggies goal-line is like the good-natured Prof. who is hard to cross. Judging by the way we kept track of Simmons College yesterday we opine that by the end of the season we will have piled up a few of the old marginal points. Now to add a few points in our favor, we have decided to blossom forth with a dance that will make a paralytic jump with the avidity of an old maid on anyone wearing long pants.

This aforesaid function will take place in Sbis's Stadium as soon as Big Ben strikes 9:00 p. m. on the evening of Friday, November 26, 1920.

Calenderly speaking, this is Fish day, therefore it must behoove every member of the piscatorial tribe to throw out his line to some little bunch of loveliness back home where all the music she hears is the wind winding through the tall trees because the music for this occasion is to be dispensed by the greatest dance orchestra in the south—the Original Louisiana Five.

When Al Nunez, the grand-pa of "Yelping Hound Blues" and "Missouri Waltz," bears down on his laughing trombone then is the time a person forgets all family responsibility. Pardon the interruption, but I'll say it appeals to the sole, and makes both of them have more action than a centipede trespassing on fly-paper.

This is the original five that played for the Zeigfield Follies and also made the Midnight Frolic in little old New York last year. We hate to do old Zig. this way but we allow as how that old football team deserves such a token of our loyalty to them.

Get a date with a peach and prepare for a good time. Casey says he has the stuff to put in 'cider.

Up to the present we have more victories to our credit than any other college or institution in the world. (Continued on Page 3)
