STOCK JUDGES
NOW EN ROUTE
TO CHICAGO

Will Do Much Judging At Farms On
Way—Menziez Replaced by
Lewis.

At 12:30 on the night of Nov. 17, the Animal Husbandry team of A. and M. College of Texas left for Chicago, Ill. There they will compete with about twenty or more other renowned agricultural colleges the world over for the stock judging supremacy of the world. If we should come out on top this time we keep the Bronze Trophy as permanent property already having won it twice in the past.

It was a determined, sober group of men who boarded the train for Chicago. There were about two hundred animal husbandry men and well wishers from other branches of College plus that never-absent pep-producer, the A. and M. College Band, present. On account of the many interruptions lately the corps was not called out.

The team will visit all the important farms and agricultural colleges between here and Chicago, for work-outs on the stock there. This is the final preparation before the battle.

Bill Menziez, one of the men who made the team was declared ineligible at the eleventh hour because of a ruling that was rendered since last year in regard to years absent from College on account of war. We are sorry this has happened as Menziez was one of our strongest men, but rather it be seen now than have him disqualified after a good showing at Chicago. It would mean a lost team. There was no other way about this matter. Tom Lewis was next in line and took Bill's place.

We will receive results of the contest by wire according to each Stangel.

The team makes up the following list: H. C. Robinson, Barrett, M. G. Snell, Lampassas, and T. B. Lewis, Valley Mills.

FISH VICTORS
OVER SCRUBS
SCORE 13 TO 0

Game Was Fought From Start to Finish—Close Playing and Few Fumbles.

In a game that was a fight from the start until the final whistle had sounded the Fish came out the victors 13 to 7 on Kyle Field Thursday afternoon. There were few fumbles considering the tackles that were made. Every tackle was good and showed that the Fish and Scrubs were in the game to fight. The Scrubs were the first to draw blood. They made their touchdown about the middle of the second quarter when Riggs of the Scrubs gathered in a fumble punt and ran thirty yards for a touchdown. The Scrubs kicked goal and the score was Scrubs 7 Fish 0. After this touchdown was made on the Fish the Scrubs were fighting to keep the lead but Mitchell of the Fish happened on the scene and pulled one of the two sensational runs of the game. He received a Scrub punt on his own thirty yard line and behind interference that was quick to form carried the oval the Scrubs goal line for a touchdown. Fish kicked the goal and the score was Scrubs 7 Fish 7. The ball was kept in mid-field during the third quarter neither side seemed to have the advantage. It was in the early moments of the fourth quarter that the Fish put over the touchdown that won the game. The Fish got the ball on the Scrubs thirty yard line after they had recovered a fumble. It was here that Johnson of the Fish showed that he had the driving power necessary in the pinches. He was called on time after time until the touchdown was made. The Fish failed to make the goal and the score was Scrubs 7 Fish 13. During the last of the fourth quarter

the Fish made a pass on his own thirty yard line and with no interference

AGGIES DEFEAT HEAVY RICE
TEAM BY CLOSE SCORE 7 TO 0

Field Was Slow and Muddy and Aggies Used Only Straight Football Tactics—No Serious Injuries Resulted.

In a game that was full of fight from the first whistle until the end of the game the Rice Owls went down to defeat before the formidable Aggie machine by the score of 7 to 0. The game was well played and but few fumbles were made when the condition of the field is taken into consideration. There was a cold north wind blowing and the field was covered with mud and water and in only a few places was the field in anything like playing condition. Spectators began to assemble at the field long before time for the game and the A. and M. side was filled to capacity by the time the team took the field. Rice appeared first and took the field at 3:01, the Aggies followed 4 minutes later, and anxious for the fray. The Owls won the toss and chose to defend the north goal with the wind to their backs.

First Quarter.

Higginbotham kicked fifty yards to Kennedy who returned five, on the next two plays the Owls made it first down and it looked as if the Aggie line was going to have lots of trouble in stopping the onslaughts of the Rice backs. The Aggie defense strengthened, however, and Rice was forced to punt. The Aggies with the ball in their possession tried the Owl line once and then punted to Rice. It was evident that the Farmers were going to play a punting game. The Owls elected to take their full number of downs, however, before they would punt and lost the ball this way more

than once during the game. The ball was in mid field until Morris pulled the sensation of the game by returning a Rice punt for 50 yards. This put the oval on the Owl's 15 yard line and first down. But on the next play A. and M. fumbled and Rice recovered. The Owls made it first down, but failed to make the second first down and decided to punt. Dieterich broke through and blocked the punt and A. and M. recovered on Rice's 15 yard line. After she had failed to make first down through the Owl line A. and M. decided to try a place kick. This was not successful, however, as the ball went wild and to the side of the goal post, but it was on this play that the Aggies got the break that gave them their big chance to score. An Owl linesman was too anxious and the play was called back and Rice penalized 5 yards for offside. This gave the ball to the Aggies on Rice's 10 yard line and first down. After two attempts at the Owl line had netted the Farmers 2 yards Weir carried the ball through right tackle for the only score of the game. Higginbotham kicked goal. The rest of this period was played in Rice's territory and with the Aggies on the offensive.

Second Quarter.

This entire period with the exception of a few minutes, was played with Rice doing her utmost to score. The Aggies were content to remain on the defensive and it was Higginbotham's toe that would send the ball down the

BRYAN HIGH IS
VICTOR OVER
AUSTIN HIGH

Teams Were Evenly Matched and
Score Does Not Show Closeness
of Game.

In a game that was full of breaks Bryan emerged the victor over Austin by the score of 21 to 0. The score in no means shows the closeness of the game. Two of Bryan's touchdowns were made off of breaks in the game these breaks were Bryan's because she was following the ball. Austin played a losing game and was not able to deliver in the pinches chiefly because of the faulty work done by her quarterback. Coach Spitz Clark substituted for this position more than once trying to settle the Austin club down to consistent playing but his efforts were met with little success. Austin made several costly fumbles which gave Bryan two of her touchdowns and aided in losing the game. The Austin team started the game in a rush and had Bryan off her feet for the first few minutes of play and had she kept up the same punch thru-out the game she would have at least made a score. Bryan played a good game of football and should be given credit for playing the game as she did. Bryan's whole backfield starred and her line was able to hold its own with Austin. For Austin there was one man who played a game that would do credit to a college player. Putman the Austin center was this man and the way he fought was good to see. He was down on nearly ever punt made and should have the credit of holding his team together.
