Notes From the Press Box.

The Aggies were all dolled up in their new uniforms and believe me they sure gave them a good baptism—let's let the good work go on. Did you recognize all of them, it was a hard job to tell some of them after seeing them dressed in their old uniforms for such a long time. The Athletic Department is to be congratulated on the pattern and design they chose, for it is one of the neatest appearing suits that has graced Kyle Field in many a day.

Coach Bible played the role of Ump and he did it up brownskin. Silk-O Loughlin in his prime did not have a thing on him and it is doubtful if he could droll out his trike "tuh" any better than Bible did.

Peter Wilson, better known as Waxahachie, was a million dollar kid around the keystone sack in the initial fracas. He fielded and hit a thousand, and that is not a record that is made every day. The only thing he did not do was make an error. The box score shows him as being up twice and making two hits but that was not all he did. He got a base on balls, was hit by the pitcher and made a perfect sacrifice hit. He was kinda in the coke once though, and got caught off first on a fly ball, otherwise he had a perfect day. Look out for this youngster if he keeps up such a terrific pace is all we can say.

Henderson pitched a fine game and from Simmons' viewpoint, was unhit-able as he gave up only one hit and that was to Collins, and he struck out 11 men in all. His one great weakness in the first game was that he put too many in the groove and did not work the corners enough.

Whether it was out of brotherly love or just a mere coincidence, it is a fact that the two Randel brothers struck out in the sixth one right after the other.

The old pill was mauled all over the lot but it was up to Henderson, Crawford and Dwyer to drive it the furthest and each one of them registered a three base hit.

Morris played his first game at short and did it up nicely. He made one fumble on a hard hit ball, but that was his only bobble and he had many hard chances during the game. He hit hard and safely to the extent of three base hits.

AGGIES WIN SECOND VICTORY FROM SIMMONS

Team as a Whole Plays Midseason Ball and Sprague is Unhittable In the Pinches.

The second game of the 1921 season was placed on the won side of the ledger when Sprague held the Simmons team down to a few scattered hits, and no runs. It looked at first as though Simmons might do something, as the first man up hit for three bases, right after that hit Sprague closed up like a clam and hits were very scarce, in fact Tabor died on third, none of his team-mates being able to bring him home.

The weather was very coolish and anything but baseball weather. It would have seemed more fitting to have had a football game in progress. However, even with the cold weather the Aggies put up a creditable showing and if they improve much more they are going to be the best in the world.

The hitting was not as much in evidence as it was in the first game, but it looked as though we were facing a better pitcher in the box this time than we were in the game the day before. Although he did not have much more than a glove and a prayer in the box, in all he was only nicked for but six hits and they were able to gather five, only one less than we got. However, ours were of timely nature and every one was made to count.

Our next games are with Rice and they come the 30th and 31st of this month, so we should have some very interesting struggles to witness before long, at least here's hoping that they give us a little more opposition than our last opponent did.

Below is given a tabulated account of the game and box score.

Crawford was caught going to third but regained his base when Dodge dropped the ball. Sprague grounded and went on to third when Morris made a hit to left field. Morris was caught out at second. Sprague scored on a passed ball. Mathews grounded out to second base. Score: Simmons 0. A. and M. 7.

Eighth Inning.

Randel, F., base on balls. Taylor fanned. Randel, F., was out at second on Middleton's grounder to Smith but Middleton made first on fielder's choice. Tabor fanned.

Notes From the Press Box.

The band made up for a bad showing the second day and anyone who failed to hear Frame deliver the goods the second day missed a rare treat, as he brought out his drum as well as his sticks this time and did not fool the boys with his \$5.00 lick.

Tabor looked like the best player on the Simmons team and while he was nothing exceptional he looked better than the rest. He hit good; in fact better than the average Simmons player; he had a blow to his credit in both games. He fielded his position nicely and did not have an error marked up against him during either of the games.

Sprague sure has a wicked move to first. Dodge can certainly vouch for that, for he had him sliding back to first when he delivered the ball to the batter on his half balk motion. Lefty certainly was air tight in the pinches and hit was an unknown word to him. He also seemed to work the corners nicely and was not guilty of the common offense of grooving them.
