W. M. "Corp." Denny is with the General Electric Company at Schenectady, N. Y. He writes that G. B. Miller, P. N. Vinther, and A. G. Harding, all of the Class of '21, are to report to the same company for duty and that they expect to form an A. and M. Club in far-off New York State.

We are informed on reliable authority that F. R. "Rabbi" Bertscher, '21 is working for a nursery company near Beaumont, that his mail reaches him via a Rural Free Delivery, and that he spends his spare time in an effort to reform Ras Landry.

Fred Brison, '21 is now connected with the Department of Horticulture. His ambition is to guide erring ones through the mysteries of Vegetable Gardening.

A. S. Legg, '21, alias "Professor" is with the E. E. Department and warns all "Kaydets" to keep their lady friends away from the E. E. Building, as they might get "shocked."

John D. Cape, '21 writes that after spending the summer touring the West he has returned to San Marcos to take up life and its attendant problems.

The classes in Vocational Agriculture in the Stephenville High School are being presided over by J. C. "Fats" Dykes this year.

S. C. "Chick" Evans, '21, is connected with the Extension Service of the College in the capacity of Boy's Club Agent, and he has his lot with others in Bachelor Hall.

We suppose that the Pink Boll Worn will soon be a matter of history, as D. D. Clinton, '21 is now engaged in routing him from the Dixie cotton fields.

W. C. "Bill" King, last year's Jazz Master, is now with the Texas Nursery Company of Dallas.

S. R. Dunn is practicing Veterinary Medicine in Bastrop, Texas.

The Denison High School has secured the services of J. A. Pierce, '21, as athletic coach during the current season.

C. C. B. Warden, G. M. Davis, H. R. Matthews, and M. D. Wienert, have entered the army and are located at Camp Travis, Texas.

C. W. "Misery" Sherrill is Assistant County Agent for Dallas County and has his headquarters at Dallas.

Hit and Run.

Jack: "I hit a guy in the nose yesterday and you should have seen him run."

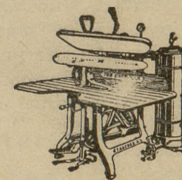

Mack: "That so?"

Jack: "Yes, but he didn't catch me."

* * *

First Flea: "Been on a vacation?"
Second Ditto: "No, on a tramp."
