

## Reveille Reminiscences

I was walking down the  
MILITARY Walk  
ONE Sunday afternoon just before  
RETREAT  
LOOKING over the people in the  
FORDS and Cadillacs  
WHO had come out to  
WATCH the boys march to  
CHOW  
WHEN my attention was attracted  
BY the gab of two  
SIMPLE folk——  
THEY were surmising that  
THE man in the handsome  
LIMOUSINE  
WAS some high official  
WAS some high official  
OF the college  
IF I had been a stranger  
I would have  
AGREED with them  
BUT I knew from knowledge  
DEARLY BOUGHT  
THAT he was only a  
BOOTLEGGER

### A. AND M. ANNUAL RODEO AND LIVESTOCK NOVELTY SHOW TO BE HELD NOV. 4 IN THE A. H. PAVILION.

The proceeds of this Animal Live Stock Novelty Show which is given by the Junior Animal Husbandry students will go towards defraying the expenses of sending the senior live stock judging team to the International Live Stock Show held at Chicago.

The senior live stock judging team will leave College Station November 6 for Chicago where they will enter the International Live Stock Judging Contest.

Previous teams that have represented A. and M. at Chicago have brought the bronze bull, the trophy awarded the winning team, back to College on two consecutive occasions. Everything points towards this year's team bringing this trophy back for the third time; thereby making it the permanent property of the Animal Husbandry Department.

Some of the novelties to be shown are:  
Steer riding.  
Horse riding.  
Greased pig contest.  
Noted quartet will sing Cowboy

Ballads.  
Potato race.  
Three ways of getting through College.  
History repeats itself at A. and M.  
Also, arrangements are being perfected to have some of the Bryan girls take part in the initial event of the program.  
Plans are also under way for a carnival which will begin immediately after dinner, Friday, November 4, and will last until taps that night. The carnival will take place on the lawn by the Agricultural Building.

### A. & M. DELEGATES WILL GO TO BAYLOR BELTON

Next Thursday, Oct. 27, will see the exodus of an enthusiastic group of students Baylor-ward bound. The reason for the afore-mentioned exodus is the Second Annual Baptist Students Conference which is held at Belton this year. The primary object of this conference is to aid the student in his religious life and teach him how to aid others. The secondary motive—well, ask any delegate going.

The Baptist students who are "in" on the plans are all anxious for the arrival of the 27th. If you are a Baptist and are "in" come out to the meeting in Guion Hall Sunday night and you will get the opportunity.

Any disciple of the "United Statesment" of Baylor C. can tell you about the plans. Dr. Truett, Dr. S. P. Brooks, and other speakers of note will be there. Besides the meetings there is a plan of entertainment worked out. The Baylor girls are planning to do their share and C. I. A. has promised two delegates to every one from A. and M.

If you are interested in going be out Sunday night. Fifty is the limit and over twenty-five have already signed up. Better put in your application now.

### PERSONALS.

T. S. King, Ex-'12, is now holding down the position of Electrical Superintendent of Bayton Refinery, Humble Oil and Refinery Co.

Abe Gross, who has been practicing law in Waco, states that he is very likely to move to Mexia and practice there.

Ural S. Armstrong, '17 is a part of the McGlasson-Armstrong Rubber Company of Plainview, Texas. He sent in his \$10 to Charlie DeWare for a coupon book with instructions to use it in "beatin' —l" out of all comers.

Earl I. Bradley, '14 writes in from Newark, Texas, that he is anxious to get all the "dope" possible about Agieland and its activities.

W. H. Armstrong is located at 526 W. 20th Street, Birmingham, Ala.

W. W. Bates, '18, is located in Houston, Texas, and his address is Fox Apartments, Houston, Texas.

Miller F. Armstrong, '82 is located in Mission, Texas. He is engaged in the real estate and mercantile business.

Jack Berry, '17 is located at Pearsall, Texas. He is constantly on the job when it comes to working for the Association.

J. R. Alexander '15 is working with the Texas Company and is located in New Jersey. He writes that he expects to be changed to the management division and transferred to Texas.

A. C. Eschenberg, '16 is located at Floresville, Texas, and his address is P. O. Box 321.

R. W. Bursleson, '95, is cashier of the First National Bank, San Saba, Texas.

Louie A. Beard is now holding the rank of Major Q. M. C. and is located at Fort Royal, Virginia.

Chas. H. Pescay, '85, is in the insurance business, New Orleans, La. His address is Chas. H. Pescay, Inc., Adjusters Fire Losses.

G. E. McDaniel, Jr., '17, is employed by Nagle, Witt, Rollins Engineering Company, and is located in Dallas.

Rollen J. Windrow, '06, is State Highway Engineer, and is located at Austin.

Verne A. Scott, '16, formerly in the Veterinary Department of the A. and M. College, is now Professor of Veterinary Medicine, John Tarleton College, Stephenville, Texas.

E. B. Cushing, '80, receiver for the First National Bank at Ranger, Tex., is still a very active support of the "Ole School," and proves same by sending in for \$10 coupon book that he doesn't expect to use.

H. M. Brundrett, 14 of Herkimer, N. Y., says that he would be yelling for the Red and White even though he was too far away to attend games, and that he hoped all former students would come across and help put out teams that would "put the fear of God in the hearts of the Eastern and Northern teams."

W. E. Spake, Ex-'12, with The Schoellkopf Company of Dallas, encloses the \$10 and says: "Call on me when you need assistance."

C. R. Roitsch, of Tlahuelilo, Durango, Mexico, promptly sent in his \$10.

Walter Ohlendorf, '13 of Tlahualilo Durango, Mexico, sent in his \$10 with the statement: "Incidentally this \$10 counts for two quarts here."

## JUNIOR CLASS HOLDS ELECTION

Mayfield, Sanders, Jones, Downs and Harris Are Honored by Classmates.

On last Saturday afternoon from 12:30 to 1:30, the Junior Class held an election for the purpose of electing class officers for the current year.

The meeting was held in the Y. M. C. A. Chapel. A. P. Lancaster, chairman of the election committee, called the meeting to order and the fun began.

Some three or four candidates were nominated for each office. Political fissure lines were easily apparent in the ranks of the '23 Class, and the resulting voting was close.

A majority and not a plurality being necessary to elect, the results of the first balloting showed that no one man had received the necessary number of votes to place him in office.

It became necessary to vote again on the two leading would-be officers. The election officials announced a recess of ten minutes to enable them to "oil" their election machinery.

The voters employed this ten minutes in lobbying for either one or the other of the candidates. A second vote was ten taken and the results showed that the following had been elected:

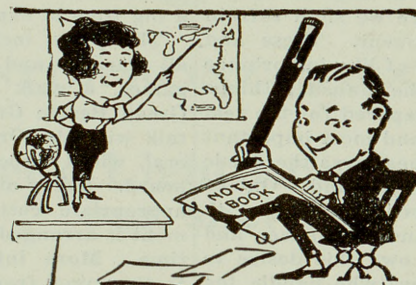

President: John C. Mayfield of Huntsville.

Vice-President: Sammie Sanders of Franklin.

Secretary-Treasurer: Newton W. Jones of Archer City.

Historian: F. H. Downs, Jr., of Fal, La.

Member of Student Council: R. E. Harris of Comanche.

## TAKES NOTES IN A HURRY—

No matter how fast the instructor talks, it's easy to keep up with a Parker Pen.

No clogging, no stopping to shake, no inkstained fingers. The "Lucky Curve" feeds the ink smoothly. It can't leak when carried—Safety-Sealed. Press-the-Button and it's filled instantly.
