

Ashburn, Commandant and Chairman of the Athletic Council, who acted a toastmaster; but he didn't make any toastmaking until he filled that Mammoth cavity of his and as a Toastmaster no better person could have been selected. Next came Head Coach D. X. Bible, Assistant Coach H. H. House, Assistant Coach Frank Anderson, Business Manager James Sullivan, Retiring Captain "Puny" Wilson, and Captain Elect T. L. "Silent" Miller.

J. J. Hardman, the "rattler" from the Cavalry was an easy winner in the "meal hound" contest. He had half of a pot plant consumed before he found out it wasn't on the menu. He didn't have much on "Charlie Nitch" Forgason because the "smiling lad" consumed four pieces of cake and a glass of salty water without taking a breath. Mr. W. L. Stangel was caught in the act of trying to slip off with some of the College silver when Coach Bible turned him in to the Commandant—guess he will be campused for the rest of the term.

"Slim" Knickerbocker ate all the crackers and paper napkins. The speeches followed with Toastmaster Ashburn making the first excuse. After Coach House, Coach Bible, and Puny Wilson spoke on various topics the Mighty Silent Miller arose amid blood curdling yells and shrill gusts of applause and delivered a mighty oration that will never be forgotten as long as Coach Bible is BALD-HEADED. It would take lengthy col-

umns to proclaim all the Capt.-Elect expounded upon but briefly it can be summed up in the following "Texas is looking forward to the Aggies making a clean sweep of the entire football Conference and this Aggieland won't be fit to live in for the man that does not return next fall with the idea of —DELIVERING THE GOODS."

The Aggieland produced some hypnotic strains that were greatly enjoyed by all.

COMMANDER OF EIGHTH CORPS AREA COMING

Maj. Gen. Lewis to be at College Thursday to Inspect Military Department and Cadet Corps.

The thunder of the artillery piece at 12 noon, Feb. 21, will announce the arrival at College Station of Major General Lewis, the commanding general of the Eighth Corps Area. His visit has been expected for some time and many plans have been made for his reception and entertainment. On his arrival he will be met with an escort consisting of a troop of cavalry, and will be conducted to Colonel Todd's residence where a reception will be held in his honor at nine that evening.

Thursday morning will be taken up mostly by the presentation of commissions to Cadet Officers. General Lewis will make the presentations personally.

While he is here the General will inspect the Military Department of the College, and will review and perhaps inspect the corps of cadets. The corps will be required to wear No. 1 uniform at all times while the General is here.

It is not known exactly how long the visit will last but when the College bids farewell to its distinguished visitor it will be with impressive ceremonies. The band and a troop of cavalry will escort him to the train through two long lines of cadets, drawn up in formation on either side of the driveway leading to the station.

This is the first visit the General has made the College in his present capacity, but we hope that he will enjoy his stay to such an extent that it will not be his last one.

Also if we were planning to become a marimba player we first contract delirium tremens or palsey or shimmitis.

After proving their worth to the Editors of The Battalion, we take great pleasure in acknowledging the addition of A. Clason Taylor and George Lewis to the Athletic Section of The Battalion as Assistant Sport Writers. We strive to satisfy YOU!
