DERE RUMMITT.

Coleman, Texas,
October 15th, 1923.

Dere Rummitt:

It is rumored that a train is coming thru here today—please tell Louie Miller and Dick Wilson—so will write you so you will get a letter from me before Xmas for the next train is Thanksgiving Day. The last train that was thru here came in sideways and killed two people and three other mules. I don't think Marlin Smith has heard of his kin-folks death. Please tell him, will you?

I am having a great time here, teaching school—can't smoke, can't go to dances, and only teach physics, chemistry, algebra, vocational agriculture—all my spare time I coach the football team. I know now why the Lord rested on the seventh day.

I'll "Swanny" I knew A. and M. would beat Sewanee. Reminds me of the Centre game. I guess—well, they say Sewanee was **Jonohed**, but I believe they were **Johnsoned**.

The principal of the school here asked me to quit parting my hair in the middle. But I told him if I had to be an advocate of his Blue Laws I had to advertise the fact—"the parting of the ways."

The wind "blew up" the street here the other day—you ought to have seen the horse-fly.

Remember you are a Senior this year—so please don't "get around" Ethyl—Ethyl Alcohol.

As I said—I am teaching chemistry. I think I shall 'dissolve' myself of my clothes, measure the 'heat of combustion' of a cigar—there is no one in the room—, 'filter' myself into my pajamas, 'precipitate' myself on the bed, and 'synthetize' a few hours of sleep.

In my next letter I shall try to give you a good line. Think of this—if two parts of hydrogen and one part of oxygen form water what would chloroform?

Chemically stable,
Your Brother,
Rufe.

P. S.—I know you can't guess the answer to the above question. Well, there are two possibilities. The answer is 'e(i)ther'.

New laurels in new fields—screenland's Cleopatra in a story of sympathetic appeal.—Adv.

THE SMITH DRUG CO.
BRYAN

SOCIETY

Announcing Corps Dance.

Social Secretary, H. M. Tatum has disclosed the enjoyable secret that on the night of October 27, Sbsa Hall shall again allow its floors to be gamboled over by ramping youth to the dum-dum of the "Aggieland's" Jazz.

Which is but to say, that the night of the day after the football game between A. and M. and S. M. U. everyone in requested to "toddle" up to the door of Sbsa's, take "one-step" through, "fox-trot" over and have their ladies' cloaks checked, "tango" out on the floor and "kangaroo canter" for three and one-half hours.

It is understood that M. O. Gips has some new Dallas dances, so, if you believe in progress don't forget to have that date down for the dance. "Gips" will be there to show 'em. There will be others of us there like him, but I would blush to mention their names—also self-defense!

The windows will be locked. Please come through the door and meet the receiving line. Be sure and have that Dallas girl down—they might not come to see the game, but for you and the dance—always.

**ATHLETIC DEPARTMENT
BEGINS PREPARATION FOR
THANKSGIVING GAME**

**Additional Seats To Be Erected On
Kyle Field.**

Work will begin the first of next week on the additional seats at Kyle Field for the Thanksgiving game. Nine carloads of lumber have been ordered, enough to construct 9,000 seats, and workmen have been engaged to construct them.

The additional seats will be built at each end of the field in the space at the end of the new steel bleachers on the west side of the field. These new seats also include 1290 box seats. When completed, the seating capacity of Kyle Field will be 18,000 and this is intended to care for the enormous crowd expected here on Turkey Day for the Aggie-Longhorn clash.

The mistress of emotion in a masterpiece of the screen.—Adv.
